# Christmas With The Millionaire Cowboy (BBW Western Holiday Romance) (Stepbrother Romance)

## Synopsis

The only thing Penny Shepherd loved more than the Rocking J Ranch she called home, was the cowboy that held her heart in his calloused hands. The only thing she hated worse than being thought of as his stepsister, was being the overweight girl that couldn't possibly catch his eye. Ryan Jacobs felt not one ounce of brotherly love toward Penny Shepherd. And it was getting harder to pretend that he did. What he did feel was something so raw and powerful that it ate away at his gut a little more each day. With Christmas fast approaching, will these two hearts find a bit of holiday magic? EXCERPT: Ryan left the house as fast as his cowboy shod feet allowed. He had to get away before he did something crazy like kiss Penny until they both ran out of breath. He wouldn't even need the damn mistletoe hanging in the doorway to pretend. He was tired of pretending. He wanted to drag her beneath the Christmas tree and see just how naughty he could be. Ryan didn't know what he'd been about to say and was torn between being angry at his stepmother for interrupting them and grateful that she had. The touch of Penny's hand on his face had gone straight to his groin. Two of the cowboys gave him a wide berth as he entered the barn. He knew why. He'd been like a bear with a sore paw for the last few months. Ever since Penny had gone on a date with the rancher next door. At last count they'd went out over six times. Which was six times too many. The thought of Penny with another man made him crazy. The thought of another man tasting her lips or touching her in all the intimate places he longed to, made him murderous. He still smelled her delicious fragrance. It was drowning him, tantalizing him, seducing him. Lord, help him, that's what he wanted to do to her. Seduce her. Make her lose all those inhibitions and hang-ups he knew she had about her size.

## Customer Reviews

I really enjoyed reading this book about Ryan Jacobs & Penny Peterson both living on the Rocking J Ranch. When Penny first came to live on the ranch she was fourteen and her step-brother Ryan was nineteen her mother married Jeremiah, Ryan's dad almost seven years ago now. Penny's a math teacher and works at the high school in Whispering Pines which is an hour & a half drive away from the ranch, and in bad weather it's just too far to travel so she lives with another single teacher close to school. She barely comes back to the ranch because she's in love with her step-brother and has been for years, but Christmas is a holiday she loves and there are many traditions the ranch has during this holiday that Penny is apart of so she stays on the ranch for the entire holiday. Today Ryan is helping to put the tree up, and she's baking cookies with the housekeeper to be given away to the church for their holiday bake sale. Her and Ryan are like oil & water they are constantly fighting, but that's because he wants her and she wants him and they have been fighting their attraction for the last five years. Read this book it will make you laugh, cry and cum a bit. It's about a mother who just nit picks her daughter to death with little comments that are just mean. It's about a step-brother who wants his little step-sister and a step-sister who wants her step-brother and a father who has suffered a stroke and finally tells his son to take what he wants, or lose it forever. I think the author did a great job with the characters, you really get a feel for what they are going through, I just wish the book had a sequel to see how things turn out in the future on the Rocking J.

I loved this short, but oh so sweet story. Penny has always struggled with her curves, and it sure didn't help matters that her mother seemed to constantly put her down about it also. Ryan has loved Penny almost since the day her and her mother became part of his family, but she was too young for him then, and he truly didn't know how to deal with his family and what their reaction to his feelings would be. When jealousy rears its ugly head, Ryan flips his lid. Will they make it through this holiday season as a family? Will Penny finally cut the ties and try to get on with her life? Will Ryan finally step up and take the bull by the horns and act on his feelings? So much excitement

packed into such a short story, but so worth the read. Yes, it would have been nice if the book would have been a bit longer, but I think this only leaves the door open for re-visitation in the future. Loved it!

Initially, you may say hmmm step brother and sister ? But that part of the story isn't as creepy as it could be. The male lead is sexy, bossy and made me quiver a little when he would say "you like that baby". It's not very long story, it's a quick sexy read that doesn't have a thin lead female, who manages to be thin, tall, willowy but has all these womanly curves. She's a thick girl with REAL curves and flesh. Enjoyed the story for quick hot read.

Ok so the story was sweet and a good concept but it needed to be flushed out a little better. Clean up the dialog and character development along with smoothing out a few wrinkles in the plot instead of ignoring them and this could be a damn good novel. However as it is, its a nice fluff story to just chill and escape into for a small time.

The story was a short read in s few hour as.I truly enjoyed how they found each other aft were living apart for so many years, they kept honest with each other's feeling, until dad and carelessness his say.

This is a really good story about a man and a woman who fell in love many years ago only to have circumstances keep them apart. Now that the obsticals have been removed from their path Ryan will let nothing stand in his way of finally claiming his Penny. I would recommend this book

Great storyline. Should have expanded more on the weight conscious issue and the mother's dislike of her weight. Would have loved to have read that Ryan had overheard some fat girl remarks. So many daughters need to know that Not All Women are Meant to be a size 3!

I love it when the cowboy gets the girl.I gave this book a four because I wanted to know what punishment mom received for her last insult to daughter.Other then that I just Loved Loved Loved this story, I could relate to all the characters being a BBW myself I really became caught up.
