I Want You For Christmas: The Prince's Lost Princess - A Heartwarming Snow-Capped Holiday Romance

Synopsis

Gabriella Galtieri is a simple girl, living a simple life. At least, that's what she had always thought. She'd never paid much attention to the family name, and its legend of long-lost royalty, but after a mysterious offer to be flown to Italy, expenses paid, Gaby is beginning to wonder. Luca, Italian Prince of Campania is slowly gaining an unsavory reputation. After his playboy ways alienate every princess in Europe, he realizes he's going to have to look further afield in his royal conquests. So when Luca hears of the House of Galtieri – a long-deposed royal lineage, thought lost forever – and its irresistibly eligible – princess – , Luca is determined to get what he wants. When the two are finally united, Gabriella finds a dashing Prince Charming she never expected to meet, and Luca finds in Gabriella a heart of gold that could change him forever. If only Luca had been honest from the start. One thing is for sure: this Prince has never seen a snowy New York Christmas, and Gaby is going to give him one he'll never forget. This is a standalone royal romance novel from best-selling author Lara Hunter, with added touches from Holly Rayner. It contains a guaranteed HEA, and a tale of romance that will capture your heart. As an added gift, it also includes the first few chapters of Holly Rayner's prior novel *The Sheikh's Triplet Baby Surprise*, and the entirety of *The Sheikh's Tempted Protectress*, completely FREE!

Customer Reviews

Lara Hunter and Holly Rayner have several 5-star reviews. Their characters are exciting, and their plots make it almost impossible to put a book down. Gabriella "Gaby" Galtiera is part of a large, Catholic Italian family. Gaby's grandmother believes rumors that the Galtiera family is descended from royalty. When Gaby gets a call inviting her on an all-expenses-paid trip to Italy, her family encourages her to go. Gaby has lived in New York City her entire life and has never been out of the state. The invitation indicates that Gaby is needed in Italy to help promote relations between the United States and Italy. Prince Luca of Campania is a rich, spoiled playboy. He wants a princess to marry, but his behavior has alienated all of Europe's royalty. When he hears about the possibility that the Galtieras may be descended from Italian royalty, he plots to get Gaby to Italy. When Gaby arrives in Italy and learns she is there because of a lie, Luca has a lot of work to convince her he cares about her. To find out about the ups and downs of Gaby's and Luca's exciting experiences, please read the book. I think you'll enjoy it. The book has a guaranteed HEA. I received an ARC for an honest review.

I really enjoy anything Royal! Who wouldn't love Luca, a hot Italian prince. I enjoy all the books I've read so far that Holly has written. I loved this Christmas story of love, friendship, family and laughter.

A dubious and determined prince seeks to rewrite the path of his life with a lost princess. Seems the stuff of fairy tales. However this heroine is down to earth practicality. Funny and sweet.

I really enjoyed this book. The characters were interesting and the story line was good. I couldn't put this book down until I finished it.

A beautiful story. I could not put it down.
