Synopsis

A BBW veterinarian in search for secure future + a dragon shifter in search of a mate + a mishap on a mountainside = one sparkling and sexy story! Hunter had lived for thousands of years. He was content in his house with his treasure buried deep in the caverns below. When Misty's car accident causes her to land in his lap he realizes that he finally discovered the greatest treasure of all. Love. He just has to convince her that he's the dragon for her. Worth of time

I purchased this book, but only received a short snippet of it. So it's hard for me to give a review when I never got anything to fully read. ??
