La Quinta De Florencia (Spanish Edition)

Synopsis

«La quinta de Florencia» es una tragicomedia en la que Lope dramatiza un episodio de la historia de Alejandro de Médicis: el Duque castiga a su privado César por cometer una violación. A partir de la inclusión en el texto de elementos que no estaban en sus fuentes (como referencias pictóricas y arquitectónicas), Lope construye un discurso moral en torno al contraste templanza/lujuria. Lope proyecta en la Florencia de los Médicis sus reservas y ansiedades sobre la España de Felipe III y Lerma, y conecta el tema de la violación con temas como la traición, la privanza y la decadencia de la clase aristocrática. Esta edición digital contiene un índice activo de actos para facilitar la lectura.
