Blindfolded Innocence

Synopsis

"I'm not sure what you have been told about me, but I'm not nearly as bad as they make me out to be." His deliciously deep voice carried a little bit of ego. "I'm sure you are exactly as bad as they make you out to be...." Brad De Luca is used to getting whatever and whomever he wants. The premier divorce attorney in town, he's a playboy who's bedded half the city--including his own clients. And when the newest intern at his firm poses a challenge, his seductive prowess goes into overdrive. Pre-law student Julia Campbell is fresh off a failed engagement and happy with her new independence. Even if she weren't warned away from Brad at every turn, she'd know he was bad news. The last thing she needs is a man who could destroy her job prospects, not to mention her innocence. But before she knows it, the incorrigible charmer has her under his spell. His deviant tastes plunge her deep into a forbidden world of sexual exploration...but her heart may not survive the fall. This is the first book in the Innocence trilogy. It can be read as a standalone. Reading order: Blindfolded Innocence Masked Innocence - available now The End of Innocence - available now

SPOILER FREE REVIEW of Books 1-3 READING ORDER: Blindfolded Innocence The Diary of Brad De Luca Masked Innocence End of the Innocence Book 1, Blindfolded Innocence features 21 year old college senior Julia Campbell interning for the semester at the law firm of Clarke, De Luca & Broward. They assign interns at this firm based on sex. That being, anyone of the female sex is not assigned to Brad De Luca. So you know what happens right? Of course Brad wants her. I love a delicious older man, younger woman scenario. Bring it. Julia is a strong woman. She's not interested in risking her reputation and future law career on a fling with a partner in the firm. But... the best laid plans, right? This is the point that I need to tell you something. There's a bit of a twist to this alpha man playboy story. Brad likes to share. Are you still with me? When I read the first book I wasn't sure where this was going. Was this a standalone kinky book? A series? Where the hell was this going? Do I want to read a whole series about a guy that is willing to share the heroine? How is that going to work? I love the alpha male "you are mine" books, how does a guy whose kink is sharing going to work for me? It works. Oh, does it work. If you read book one expecting a sex fest you're going to be disappointed. It takes a while. Wait for it. Book 2, Masked Innocence picks up soon after book 1, but things have shifted. Brad turns from this player into... dare I say... book boyfriend extraordinaire. You think I'm going to tell you that he fell so in love with Julia that he didn't want to share her anymore right? I'm not. He still wants to share and it's still hot. I should clarify for you that it is sharing with other men. While he watches.

This book had me raging angry to the point that I had to throw my kindle down and walk away. I picked it up and put it back down so many times I lost count. But I persevered, because I believe that if you're going to review a book, you need to read it. I actually didn't hate this book, I think I just couldn't love the characters in it. This is a story about Brad De Luca, divorce attorney extraordinaire, who sleeps with his clients, parties it up, and leaves by 5pm everyday. Basically, he lives a lawyer fantasy life that exists only in this book. Because if he really slept with his clients he'd be disbarred in five seconds. I don't care how big his, well you know, is. And he's not old enough to be able to bill at \$600 an hour and leave at 5pm. You know who gets to do that? Old partners who are near death and have geriatric issues, that's who. Sorry. I really try to suspend my real life knowledge of things when I read. I get that there's a fantasy going on, but this just took it too far from me. Perhaps its jealousy. I don't know. but it pissed me off. Which then didn't help matters as Brad continued to piss me off. Julia is a pre-law student who is interning at Brad's law firm. Everyone says to STAY AWAY FROM BRAD AT ALL COSTS. Come on guys, that's like holding out a chocolate chip cookie and saying, "oh, hey. yea,

iâ™m just gonna leave that right here. donâ™t look at it or touch it. k?â™ Obviously that tactic fails. Especially since Bradâ™s hot and delicious looking. Julia and Brad have a lot of back and forth banter which was pretty enjoyable. I really liked it when Julia had a backbone. And for the most part, the Vegas trip was fun, sexy & hot. AND THEN. holy jesus.
