## Synopsis

WARNING! THIS STORY IS NOT FOR THE FAINT AT HEARTLiberty had been going through the wringer with her crazy ex-girlfriend, Trip. Popping up at her crib uninvited, beating up on her little brother, and driving a car through her house were just a few of the things she experienced since their breakup. Life was miserable before Apollo came out of nowhere and rescued her. He's everything she ever wanted in a partner, and she loves him for building up her self-esteem and providing for her family. Life is perfect, but things suddenly take a turn for the worse after he's arrested for the murder of Trip. Further tension arises once Liberty discovers that Apollo is a contract killer. After he's released, she somehow finds herself trying to convince him not to kill his next target--who's ironically her little cousin's boyfriend. Shayla never thought she'd fall in love and marry the outlaw her mama warned her about. Regardless of their past differences, she's determined to make it work with Romeo. ## Customer Reviews

Loved this book from beginning to end.... Your work always keeps me intrigued. I was at work sneaking reading it was so hard to wait til I got off. Keep up the good work ...RIP TO THE characters we lost

This was a pretty good book I read it within 4hrs, it picked up where it left off at in Flawless 3, Quay was a cold hearted murderer. Apollo and Romeo are determined to get their revenge on Quay for all the trouble he caused in their lives , it seems as if Quay is always one step ahead of the game Good read, it has a few errors I gave it 4 Stars

You never disappoint, I cried at least twice reading this book, I laughed and was sad when I got to the end. Another great read! Twists and turns are what make your books stand out and reading this one will definitely have you wondering what could possibly happen next!

This book had me almost too nervous to finish it. Apollo, Liberty, Romeo and Shayla, from the Flawless series, get their own spin-off novel and I promise it does not disappoint! This book was filled with all kinds of drama. But like the warnings no states... This book isn't for the faint at heart.. There are some pretty graphic scenes. Like all of the other Jade Jones and Chase Moore collabos... I loved it!!

Quay was truly heartless and ruthless. Sheesh dude was on one. Liberty took some getting use to but she pulled it together. Poor Shayla she got dealt a bad hand as well. Quay was just all over the place with his torture. This was good a lot of things happened that I didn't expect. You will not be disappointed with this one here.

My Thoughts.....This was quite a interesting read and definitely not for the faint of heart readers!

Wow, what these two authors came up with in this story was some read that will keep your attention all the way to the end. Characters from ... Shayla, Romeo, Apollo, Liberty, Quay and a few others will give the readers quite a ride to the very end. Be ready for plenty of drama, revenge with a lots of horrible scenes, murder...but since this is a urban fiction read be ready for it is a fasted paced novel with continual action...violence over the top! I will say that I did enjoy the ending to this story and I must say these authors presented the readers with a good read of 'Loving a Heartless Felon.'

This book had a lot going on... it kept you wanting to read because u wanted to find out what was going to happen... It moved along at a very fast pace... There was a time or 2 that it jumped and it threw me off a little bit but as I read I was able to catch back up...some areas did feel a little rushed but I enjoyed the story... These men had such bad tempers... Romeo with Shayla... He just over reacted with out listening first... Apollo was trying his best to make everyone happy and trying to handle Quay that he neglected Liberty when she needed him the most... I can't believe what Quay did... After that he deserved what he got.. Over all this was a good book...

This let me know what happened after Flawless 3. Karma is a bitch though cause when she comes she comes hard. Romeo & Shayla was happy but the past was still lurking. Quay came around causing havoc & problems. Everybody that met him asked was he a bad guy. He just gave off this vibe. Dez & Kim was doing ok. They haven't had any issue except for what was happening to their friends. Apollo & Liberty was having issues. It seems as if they can't catch a break. Liberty soon gets to feeling heartless & takes a life. She is still the same person afterwards. Good book & glass everybody is ok & happy.
