Customer Reviews

Where to start..... Well, this installment of the Valetti Crime Family is a bit different from the

rest. We have Anthony Valetti... the absolutely gorgeous, muscled, chiseled hit man for the Valetti Crime Family. He kills without remorse and is very good at what he does. In Anthony's own words: "I carve up and kill them for a living. The torturing and their screams don't affect me in the least." He also happens to be the cousin of Vince Valetti who is the Don in that familia. Anthony has a very dark past that he still struggles with and his hardcore sexual/lifestyle needs are extreme in the world of BDSM. His own familia doesn't understand and often judge him for those needs. Catherine, the brown eyed beauty who's a renowned book reviewer, beta reader and part time writer becomes Anthony's next hit. She's the ex-girlfriend of Lorenzo Passanovo, a member of the Cassano Mafia family. She is in the Witness Protection Program after snitching on the Cassano family when she witnessed a brutal attack. Anthony has been watching Catherine and investigating her to the point of stalking. He takes one look at her and knows she is just the submissive he has been waiting for. He gets permission from a reluctant Vince to buy her from the Cassano's so he can keep her. After injecting Catherine with a syringe in her hide away cabin, Anthony then takes her and brings her to his home and offers her the choice of staying and becoming his or die. That's when this story gets really good. I'm not giving away any spoilers other than to say these two characters fuse together in a way most would never understand. They both need each other in ways they sometimes do not willingly admit. That's what I loved the most. It didn't happen right away.

This is a wonderful, amazing and intriguing slightly dark Bad Boy Mafia Romance to read and I thoroughly enjoyed reading each and every page until the last page was turned. The story covers Anthony who received an order to end the life of Catherine (who went to the cops with information about the Cassano Family after she was beaten by Lorenzo Passanovo. She was placed in the Witness Protection Program). Anthony has been watching her and decides that Catherine would make a perfect submissive, now this is where the story becomes very interesting.
