Rebirth: A Fable Of Love, Forgiveness, And Following Your Heart

Synopsis

Inspired by the author's own pilgrimage of walking the legendary Camino de Santiago across Spain comes *Rebirth*, a novel of reconciliation and forgiveness. After losing his estranged father, Amit wanders across Europe and embarks on the five-hundred and fifty mile Camino de Santiago to reconcile his inner conflict. It is on this path that he begins reflecting on relationships and forgiveness, to find answers we all seek. As Amit runs from his life, it soon becomes clear that it's impossible to run from himself. It is a universal pilgrimage, and a teaching-tale about love, forgiveness, and facing our fears. Told in the traditions of Paulo Coelho and Mitch Albom, the story gets to the heart of some of life's most enlightening lessons about family, devotion, and ambition.
