Sins Of The Church

Synopsis

Christ United Church Ministries is just like any other mega church with over two thousand members that are serious about the word of God. Yet behind every front, is the real deal. Bishop Joseph Price and his First Lady Annice Price are the ultimate power couple of the cloth. Bishop is his own man who often needs a Bonnie to sit beside him and that woman just so happens to be his beautiful daughter, Anika. There is no greater bond than father and daughter, except the bond of mother and daughter. Anika does damage control to keep her mother from being hurt by Bishop's ways. Just because Anika is beautiful doesn't mean she is a softy preacher's kid. Anika has her own boss persona that has more bite than Bishop. In *Sins of the Church* by Ziere, you will find out what is the greatest sin of all and it isn't one that's in the commandments!

Customer Reviews

This author continues to grow on me. With the title, I expected to read some words that I had read before in other books but that is not what I got at all. Bishop was unlike any other pastor I have ever

heard of. The First Lady was everything I needed her to be in this book. With so much wrong done by her husband, it was nice to see someone abiding by restraint. I definitely cannot wait to find out what happens to the church next!

I think I have laughed so hard at Bishop and his daughter Anika til tears were rolling. Bishop is a pistol but his daughter is 10 times worse. This was nothing like I expected and couldn't put it down. Such a different book. Can't wait to see what happens next

I couldn't get through a couple of pages with this book strong profanity not the kind of Christian fiction I read it shouldn't even be characterized as so will remember this author name and will not buy any more, how do you give a half a star doesn't even deserve one star.

If I could give this book a 0 rating I would. The editing was horrible and the story was sooooo confusing. One minute a character was speaking and the next you was reading an unrelated story about another character. I had to go back in the book just to see if I missed something. I am so glad that this book was free because I would have asked for a refund. This happened in book 1 and 2. This is the author's brand and I am surprised that she allowed something like this to be published under her name.

This book was a great read. that damn Bishop was a trip. Annica was/is the true example of class. I felt bad for Anica seems like she was stuck between a rock and a hard place when dealing with her mom and dad. Can't wait to read part 2

Whew Lawd the sins in this book. I loved every minute of Sins if the Church. These sins make you heated the entire book. That Bishop is a mess, and his wife remains the perfect first lady through it all. Their daughter Anika seems torn as she has to battle between the love she has for her mother, and the loyalty she has to her father. I'm on the edge waiting to find out more sins in the next book.

The things that went on with this church and it's family! Bishop- I have no idea how his wife put up with his crap. Anika handles business whether it's keeping her dad out of trouble or keeping a smile on her mother's face. I'm ready for the sequel! I can't wait to find out what happens next!

I'm so happy this book delivered everything I was expecting. This read had me in my feelings- I

cried for Annice. She didn't deserve the treatment she got from the Bishop. Bishop was off the chain! Anika was everything she needed to be- I refuse to spoil the book- buy it! It's worth it!
