Jazzie and Tori are back in this highly anticipated sequel, as they explore their new found relationships, events occur that can change the status of their relationships over night. Will these two ladies finally find the happiness they both deserve?or, Are the scars to deep to live happily ever after? This book was a good read, I enjoyed the drama and the storyline. It started off kind of slow but when the drama started it was explosive. This book had me screaming out loud about how these ladies were still Stuck on Stupid. Glad to know part 3 is in the works , anticipating how everything will turn out, have afeeling its going to be disastrous for everyone. Another great read from A&A and AbL keep cranking out those bangers.

Stuck on Stupid is so fitting to describe Jazzie. This chick is worthless. Truly and utterly worthless. I just don't get her character. I'm not sure what the intentions of the author with her character other than to piss people off. I know she definitely pissed me off. Jazzie claimed to love Maine and also grandma, but yet she seemed to be more loyal to Dez. There is nothing that anyone can say to make me believe she was trying to do the right thing and help a friend. I guess she was doing the right thing by screwing Dez twice while she was so in love with Maine. Trick please. Tori and Truth are the life of this series in my opinion. I really like them together. Even though the have their issues, they truly do love each other and I hope they can have a happy future with each other. They both deserve it. Looking forwardto reading the third installment.

I WAS FEELING ALL TYPE OF WAYS......I NEVER LIKED HOLLYWOOD ANS I HOPE SHE DIE SLOW KILL HERSELF OR DO PLAY IN TRAFFIC......NOW JAZZY WAS STILL ACTING SOS FOR DEZ THAT I WANTED TO SLAP HER ASS STUPID ABOUT 3 TIMES SO I ONLY FELT A LITTLE BAD FOR HER WHEN IT ALL WENT DOWN BUT I STILL LOVE HER AND MAINE TOGETHER.....I LOVE TORI&TRUTH REAL LOVE HER SICK ASS DAD AND HIS DUMB ASS BABY MAMA SHAYLA NEED TO GO REMOVE THEM FROM THE STORY SOME WAY SOME HOW.IM GLAD TRINITY GAVE JAZZ A CHANCE I LIKE HER AND WANT HER TO STAY AROUND UM I CANT WAIT FOR PT 3 NOVEMBER IS TO LONG.LOL THIS IS A MUST READ AND APRIL COX IMA NEED SOMETHING A SNEAK PEAK A EMAIL WITH PT 3 ANYTHING.LOL

I WILL BE STALKING YOUR FB.... SO GET USED TO ME GIRL.

APRYL COX is a BEAST with the PEN, and NEVER DISAPPOINTS. STUCK ON STUPID 2 was an ABSOLUTE PAGE-TURNER. The SAGA CONTINUED with the MEMORABLE CHARCTERS. SOME of THEM were MORE STUCK ON STUPID then in BOOK 1, and the DRAMA WENT to ANOTHER LEVEL. I was SO MAD at JAZZIE, and then I was MAD at MAINE. I'M ROOTING for THEM. TRUTH was STILL the TRUTH, and DEFINITELY THAT MAN. I LOVE ME SOME HIM. THE LOVE TRUTH has FOR TORI is SO AMAZING. He SHOCKED EVERYBODY. SOME PARTS HAD ME LAUGHING HARD. I CAN'T WAIT for pt.3. I ENJOYED, LOVED, and RECOMMEND STUCK ON STUPID 2.....

I have to admit there were some slow parts of this book but all in all it was good....I hate sequels though....especially waiting all the way until November.....I would have given a 5 but the sequels have got to stop....I personally would pay more for a longer book....

This book picked right up where part one left off and me on the edge of my seat the entire read... Hollywood got on my nerves and after I finished this book, I am ready for her to take a dirt nap!! I enjoyed reading more about Trinity, I hated she got caught up in Dez trap, but it gave her a connect into Jazz's life. We finally got a background of Tori and I am ready for Truth to take care of that as only he can!!!! Maine was my guy, but in this one he really pissed me off, I know he was hurting to the core, but as street smart as he was, he never gave Jazz the time to explain her side... I'm sure it wouldn't have mattered, but he could have least gave her the opportunity to try. I love Ms. Hattie and Doc, and I am glad she pulled through to keep all these knuckleheads on their toes.. The part 3 teaser has me like a crack head... I need a hit NOW!!! I honestly didn't expect nothing less from Author April Cox, she hangs with Aleta Williams, and they say birds of a feather flock together!! Their writing styles will pull you in so quick, your head will spin and even after the book is done, you find yourself thinking about the characters as if they are real people!!!

OMG THIS was one of best books I ever read. It's was true love stories I hope Maine an Boss get back to gather because they have this love to one another that breath taking. Please don't keep us waiting for 3'. Five stars no . 10 stars an counting.
