# Stuck On Stupid 3: My New Flame

## Synopsis

The couples we love are back with more drama and twists and turns. After the death of Dezmond, Jazzie has released him and all of her past hurtsâ”or so she thought, until an unexpected situation connects them together. Can she ever be free of him, or will he still haunt herâ”even after death? Jazzie battles with the decision to move on with her life, but should she wait on the man who use to love all of her, or welcome a new flame? Maine is still trying to cope with the hurt of Jazzieâ”s betrayal and finds himself in a different bed that leads to ugly situations. Can he find someone to take Jazzieâ”s place or will he settle down with Hollywood? Hollywood never expected to fall in love with Maine but she did, and now she wants the same from him. She feels heâ”s overly stuck on stupid in his feelings for Jazzie, and it makes her sick to her stomach. Can she make him see that she is all the flame he needs? Tori and Truthâ”s love for each other is stronger than ever but is Tori willing to seek help so she give him the little girl he wants? Eric and Trinity are back in Tampa for good, living under the same roof. Has Trinity matured enough to make their relationship work, or will she send Eric out to look for a new flame? The girls are taking Hot Nasty on a roller-coaster ride with all the drama in their lives, but there is some good in it. At least he finds himself talking to the Lord more oftenâ”even if heâ”s only asking why He place him in a circle with a bunch of stuck on stupid fools. Can he live through the stress?

## Customer Reviews

OMG!!!!!! This book had me breathless. I needed a cigarette after reading this book. There are so many twists in this book, it could be considered a soap opera. There is no telling what direction this book is going next. Although there were several twists in this book, the storyline flowed. I could have read this book for days. I am team Maine & Jazzie, Truth & Tori, Trinity & Eric, and I love me some HOT NASTY!!! I hungry for more.

This book was great as usual. Apryl definitely knows how to deliver! This part three was nothing short of great, entertaining, captivating and drama filled. I've definitely grown to have a love/hate relationship with some these characters. The storyline was so intriguing and you never really knew what was coming next. Apryl pen game is official. There were minor editing errors which was a first for me when dealing with Apryl's work but nothing I can't overlook. In my eyes Maine and Truth can honestly do no wrong. They just happen to love really hard. I was so fed up with Trinity's antics it wasn't funny. I really wanted to jump in the book and smack her. My heart when out to Eric because he was a good dude. I definitely felt that Bull wasn't to be trusted. I love me some Hot Nasty, he proved to be a great friend. I'm not sure if I'm feeling CeCe yet she seems very sneaky. Jazzie was making my head hurt smh. Her and Tori need help. Cheating can not only break up relationships but the very thing that they are made of; trust. Maine and Eric learn the hard that when your girlfriend cheats it isn't the easiest thing to get over. Even though both Maine and Jazzie try to move, the heart wants what the heart wants. Trinity guilt is preventing her from moving on and truly being happy with Eric. How much will he be able to deal with before he calls it quits. Truth and Tori may seem like the perfect couple on the outside but they both have things that they're keeping from one another.

I have to be really honest about this book. I really LOVED Apryl Cox books! I read Stuck on Stupid part 1 & 2 twice because it was just that GOOD!!!! Book 3 was alright. Only because I felt there wasn't much story about Maine and Jazzie. Then Trinity got on my nerve with how she was treating Eric and I didn't like the new person that was added on. If anything I prefer to see more story about Hot and Nasty because he had me ROLLING! Never a dull moment with him! Truth and Tori I loved

the story line! I'm curious as to what happens with them! Yes I am waiting on book 4 and hope for it to be much much better than book 3!

Oh my jesus \*in my dramatic hot nasty voice\* . im so in love with these characters i skip nap for work to keep ready. Its bitter sweet that its a part 4 im happy that theirs more because i dont want it to be over but i hate being left in suspense so dear lord give ms Apryl the strength & power in her fingers to type this book as fast as she can. ^ i love me some truth

Sometimes I hate writing reviews because it means I have come to the end of the book without a part 4 on deck. I will say part 3 did not disappoint, I don't want to give anything away so that's all I'll say.....except BRING ON PART 4!!!!!!!!!!

These ladies are certainly Stuck on Stupid. Really! Tori you had a good man in Truth but you are so stupid. You have all the mouth in the world to fight another female, but you could not talk to your husband and tell him what your father did to you. What a shame. Jazzie I hope and pray that this baby is Maine and not your dead ex-fiancée. That will certainly kill the love Maine have for you. Trinity I wish you are alive so that you can get your life together. You'll needed to listen to Hot and Nasty. Well on to the next chapter to see how this plays out. And here we go with the beginning of another book.

Top notch kudos and many more to Ms. Cox . Stuck on Stupid part three definitely does not disappoint and is full of entertainment to say the least. Here we have Jazzie and Maine trying hard to hold on to their relationship as it begins to crumble before their very eyes.. As the drama intensifies, Jazzie will find herself in a place that she does not want to revisit. As Miss Hattie struggles to get through her own demise so do the other characters as well. Tori's personal demons are out to threaten her happiness with Truth. Trinity is stuck in a hard place when things don't go as planned with Eric. In the end, all the characters are looking for love and trying to hold on to it the best way they know how. Read and follow these characters on this incredible rollercoaster journey on the ups and downs and the ins and outs of being in love. I can't wait for part four. I was so caught up in the book I almost missed my train stop lol. I'm waiting on Double Dose part 3 to drop as well. Thank you again Ms. Cox for reaching out and taking the time out to read the reviews.

So my girl Jazzie, I just love her but she really needs to quit jumping from one man to another

because it was not going to help the situation. Maine man I love me so Maine. But that Holly-Ho she need her a\$\$ wooped. She just did not get it. Truth boy do I love him but he messed up towards the end. I hope he can fix it. Tori was wrong for making that kind of decision while being married that is something that they should have discussed together. Cynthia is going to be a problem. Trinity needs her a\$\$ wooped too. She is so naïve. Eric is a good guy and he gonna end up with the next woman cuz her a\$\$ is ungrateful. I don't know how I feel about CeCe yet but if she is the woman for Eric I hope they work because Trinity does not appreciate him. Some women would kill to have men like Maine, Truth, and Eric but these women are just messing up hopefully they can make it right.
