I wish I could give more stars!!!!!! This book is a must read. It doesn't start off slow like others. From

the very first page, I was hooked. I love the fact that Cash was a true boss, not taking nothing from no one. She was all about her money. I loved Que at first, but now I can't stand him. Lol I'm hoping that part two is in the works, cause I need to know who this mystery person is.

This book is a MUST read ^,, ^,, ^,, ^,,!
