# Calling The Play (Birmingham Rebels)

## Synopsis

Samantha Kane's Birmingham Rebels series proves that there's never a crowd . . . at least not for the hard-bodied football all-stars who give teamwork a sexy twist. Quarterback Tyler Oakes plays hard and parties even harder. That reckless lifestyle nearly derailed his career, and now the Birmingham Rebels are Tyler's last shot at football immortality. But staying out of trouble can take its toll—especially for a man with a taste for girls and guys. Because curvy, gorgeous Randi McInish is just the kind of trouble he'd like to get into. A tough-as-nails undercover cop, Randi meets her match in Ty. After they get wrapped up together in a drug bust and a high-speed car chase, Randi's eager to take the notorious bad boy for another wild ride. Turns out Ty already has something in mind. When he introduces her to the Rebels' sexy new quarterback coach, things start heating up a little too fast for Randi. Brian Mason coached Ty in college, and boy do they have history together. With Brian taking control on the field and in the bedroom, they were an unstoppable team. But Brian, blindsided by love, ran from his feelings for Ty. He won't let Randi make the same mistake. Both men agree they need more than each other. They want a woman they can share. And when they make a pleasure play for Randi, all three are sure to score.

## Customer Reviews

**FINAL DECISION:** A menage story with an emphasis on the individual relationships between the three. Here, the MM relationship has the most depth with the woman having less depth and interest.  
**THE STORY:** Tyler Oaks is the quarterback for the professional football team, the Birmingham Rebels. Openly bisexual, Ty is used to controversy about his personal life. Walking into a bar one night, he ends up mired in a drug bust and car chase. Ty meets Randi McInish, a cop to whom Ty is instantly attracted. Randi is a love'em and leave'em woman, scarred by her past to run before being hurt. The two end up having sex and Ty begins to fall for the dirty mouthed but vulnerable woman. Just at this moment, a man from Ty's past comes into the picture. Brian Mason is the new quarterback coach, but in college, the two were friends who shared women. Things fell apart when Ty fell in love with Brian and Brian rejected him. Brian has taken the job with the Birmingham Rebels to see if he can get a second chance with Ty. Now he also has to deal with Ty's relationship with Randi which might repeat past mistakes, keep them apart or finally bring them all together.  
**OPINION:** Menage stories are often fraught with difficulties of balance. The trio often falls too quickly into a relationship without any thought as to the complexities and difficulties of balancing the relationship between three people. Thankfully, **CALLING THE PLAY** deals directly with these

issues. Ty, Randi, and Brian each confront the question of whether they are necessary to the relationship. Time is also spent on the individual relationships between Ty and Brian, Ty and Randi, and Randi and Brian. The attraction between the trio is better for demonstrating that there is attraction and relationship between each of the pairs.
