The Last Princess: A Novel

Synopsis

The New York Timesâ bestselling novel of a forbidden 1920s romance between a rebellious society woman and a Jewish writer from the author of *No Time for Tears*. In this evocative around-the-world tale of star-crossed love, Cynthia Freemanâthe beloved author celebrated for her deft storytelling and understanding of family dynamicsâtakes readers on a whirlwind romance from Manhattan to Hollywood to the Israeli desert. Beautiful and well-bred, the daughter of a wealthy businessman, Lily Goodhue is a woman who, on the surface, has everything. Her impending marriage to the handsome scion of a distinguished New York family was to be the wedding of the decade. People called it a match made in heaven. Yet beneath the dazzling facade, she is haunted by a devastating childhood tragedy and a deep yearning for true love, for someone who will want her simply for who she is. It all appears to Lily one day, like the sun emerging from behind the clouds, when she meets Harry Kohle, an aspiring young writer and the son of a banker. Enthralled and blinded by love, Lily breaks off her engagement, runs off with Harry, and never looks back, dedicating herself to a love against all odds. Their act of passion will leave them both disinherited, facing the challenge of living a marriage day by day, through thick and thin, as the glittering Prohibition era gives way to the crushing years of the Great Depression and beyond. It is a love that will prove to be Lilyâs greatest trialâand triumph. With the same heartfelt, almost inspirational prose that made *No Time for Tears* an unforgettable read, *The Last Princess* is a ravishing, complex love story and a moving testament to the human spiritâs ability to overcome lifeâs sorrows (The New York Times Book Review).

Customer Reviews

This book is really a novel. It tells of Lily's life- her abusive parents, her unfaithful husband, her spoiled children and then how she got her life back together after all the tragedies that life handed her. This book I read when I was 13 maybe and I still read it today. Maybe in the next decade I'll give it back to its owner.

This is the best book that I have ever read. The characters are so realistic, you feel as if they are a part of you. The plot draws you in, it is virtually impossible to put this page-turner down. It is a timeless story of the power of love. If you love a good romance novel, this is definitely the best one out there, or at least the best one that I have ever read. I cried, I got angry, and when it was over I found it hard to draw myself out of the world of Lily, Harry, Ellis, Melissa, Jeremy, Drew, Randy, and Cadeau. Read this book! I give it 10 stars! Also, be sure to check out Cynthia Freeman's other novels, which are equally as captivating.

Loved it!! I couldn't put it down. I felt so drawn into this world of Harry and Lily. This is one of those books that you feel you are right there and can't wait to see what happens next. A rare gem!!

I am not going to say much about this book except that it is a great book. I re-read it 3 times when I was 14. And I am still reading it today! This will be my 5th time reading it. I suggest everyone should read this book if you are into things by Cynthia Freeman.

This is my favorite romance book of all time. I just can't say enough good things about it. Cynthia Freeman knows how to just pull you in, and you won't want the story to come to an end.

Beautiful story, easy read. Perfect for vacation/airplane type read. It is a perfect book for women. You smile when you finish it and wish Cynthia Freeman did not pass away so young so one could wait for her next book. Unfortunately, that's not the case. I liked the book a lot and thought it to be

Ms. Freeman's best.

Well thought out and displayed novel about, life , success, rejection and a variety of other powerful human themes. The book showed how complicated and enduring this journey can be.
