## Customer Reviews

The story I read is called "Soccer Halfback" by Matt Christopher. one of the setting was on a type of sports field like a soccer fieeld. the soccer field has two goals, out of bounds lines and a line through the center. The weather was mainly warm but sometimes it got cold for the players. Another setting is on a hilltop. people who flew hang gliders went there. it would usaully be sunny and warm and also sometime very windy. Sometimes so windy that the hang gliders would lose control and maybe crash. Those are the two settings in the soccer halfbak The main character in the book is Jabber. Jabber is about 13 years old and loves soccer. But his whole family wanted him to play football like his Dad,Uncle and brother. They wanted him to play football because his dad had a good career at Notre'Dame in football. Jabbers father died when he was only about five years old. His family would like Jabber to continue with his fathers dreams. Anther character is Pete. This is Jabbers older

brother. Pete plays football and he hang glides. Pete really likes football like his father but he is really trying to get Jabber to like to like the game as much as him. But one day pete was playing touch football with his friend and lost his wallet. It made Pete very mad because he had alot of money in there. He was going to use the money to buy a new pair of football cleats. Do you think he'll ever find it? Maybe. A couple of weeks after Pete lost his wallet he got in a bad hang-gliding accident. He was hurt badly, but recovered quickly. The story is mainly about Jabber's family trying to get him to play football. They want him to play football because his father played it and loved it so they think he should. That gets Jabber all in a ruckus.
