# Punished By The Blacksmith (Extreme Dark Punishment Bondage)

## Synopsis

Over the anvil with you now. Innocent village girl Margery never thought her fate was this, to be traded like a cattle to a common blacksmith. Made to cook and clean, the blacksmith at first ignores her, but even Margery knows he is biding his time, waiting for the perfect moment to unleash his iron upon her. The blacksmith has a new project, tools dark and twisted that will deliver pain and pleasure in equal measure. The question is, can Margery's simple body handle it? Contains themes of strong bondage, rear play, spanking, defloration, A2M and more. It is strictly for adults only and fans of dark erotica. Wincing, I manage to lift myself from the cot and stand, my legs barely able to carry me. With tentative fingers I reach under my shift to the wound. The pain comes sharply at my touch. It will heal. I spin and face the blacksmith. His apron is gone. He wears only trousers. The top half of his body is cut and defined as if by blade, but it is also marked and scarred, a crosshatch of horrors. The blacksmith's eyes betray no emotion, nor do his lips. He towers above me as he steps forward, gaze dropping down my body. You can cook, clean? I nod. Speak! Yes, my lord. The blacksmith motions to the side of his quarters. The kitchen is there. You will prepare three meals a day. I break fast early, so be sure to have my meal ready. Yes, my lord. If it is not, there will be consequences. Is this understood? I close my legs and look to the ground. Yes, my lord. Should you wish to escape, do so, but know the men in those woods will take great comfort in that \_\_\_\_\_ of yours.

## Customer Reviews

It's difficult to write a review about a 20 page story. There's really no plot, character building, or back story to draw from. Seems the objective was simply the abuse the young heroine received at the hands of the hero, her arousal over the abuse, and his finally taking her virginity. There was absolutely no emotional build-up or feelings between them other than he owned her and treated her like property. I didn't see any editing issues or notice any misspelled words, the story flowed quickly. I would read other, longer stories from this author. If you're looking for a quickie pick this one up.

This book is for those that understand what they are reading is very dark erotica. Heroine is traded off to a coarse, rough, physical crazed man. This man is a blacksmith that uses his skills to brand and make special devices to punish and abuse the heroine. At first she is unwilling victim but she develops a craving for this blacksmith with dark needs. Her needs soon match his and she even begs for it. The horror ends with promise of more...People really need to read description before reading because it delivers everything it promises. Read it on my KU :)

I am sure someone enjoyed this story but I found it boring. There was no plot, there was no romance whatsoever and it was very dark. Not my usual type of story and too short to really develop into anything. Doubt I will try anything like this again.

Not worth the \$2.99 for 22 pages it was very dark and no plot at all Don't bother after I purchased , realized it was quite the waste of my money. Wish I could get a refund on this

This novel may not have had any real plot but it was good in a strange kind of way. I didn't like what the blacksmith did to her at the end.
