## Customer Reviews

This has good learning experiences shown by the characters in the story who learn to deal with hard situations and come out winners in the end by being patient and caring toward those who matter most in their lives.

My favorite readings are about the Amish. Living in PA myself we have had the Amish come to our house and build our cupboards. We have had a China cabinet made by the same people. Visiting

this family to start our production of jobs we seen them go from three children to be put in their words the last visit Blessed with nine Lancaster is just a hour away and we go there often. Yes I have my own collection of cookbooks.

I really enjoy reading a book that i do not have to worry about dirty language or having my God's name said in vain. I love the bible verses at the beginning of every chapter. This book comforted me and lifted my heart. I loved the characters and how they showed their respect to God and how much faith they have. Keep up the good work.

I really enjoyed reading this book. The start to David and Gloria's marriage was very unconventional, and there are a lot of growing pains.

The book was very good. Enjoyed reading it as I do all Amish stories. They keep me interested in the books wanting to find out how it turns out in the end.

I really did enjoy this "story", but that's just it. It was just a short story! I prefer full- length books! Because of this, I was very disappointed!

Very good read. Just wish it had been a book instead of a story. Also enjoyed the excerpts of the other stories.
