## Customer Reviews

This is Janae Keyes' best book yet! You will be sucked into the story of young artist Taylor as she journeys across the ocean to England and the Manor of the elusive Lord Nathaniel Branagan. You'll fall in love with his hired help, Anne and most of all Langston! I am not usually a reader of BDSM, but I think this is tastefully done in a way that it doesn't feel like a genre book, but a story that can appeal to anyone. I cannot wait for "Dirty Little Secret," the sequel to this book!

This book follows Taylor, a struggling artist and Nathaniel, the eccentric billionaire who hires Taylor to make art works for him. The characters are strong and absolutely relatable. Nathaniel was endearing, for the most part, as I said eccentric and overall, just trying to do right by Taylor while protective his own heart. Taylor is a strong character with insecurities and is exactly what most of the women around the world struggle with. Unsure of her place, fighting to find it, while being true to herself. The plot was so smooth and easy to follow with the use of surroundings to help understand the timeline of the story. London and the English countryside being the most used forms of location to track the story. I absolutely loved how the lead was a strong, big, beautiful black woman and the topic was a non-issue through the story. THANK YOU FOR THAT!

This was my first reading anything by Janae Keyes, and I must say that I thoroughly enjoyed this great story. Ms Keyes has given us a story that will suck you in and take you on a journey with young Taylor's trip across the ocean to England to Lord Nathaniel Branagan Manor. Nathaniel has hired Taylor to make some art for him. Taylor is strong with some insecurities and like most women all around the world that struggles with being unsure of their places, who fight to find it, while staying true to themselves. Nathaniel was quite endearing for the most part, and he was unconventional and comprehensive by trying to always do right by sweet Taylor, while trying to protect his own heart. Ms Keyes' imagination is amazing in this book and the storyline and her plots are dead on, and she has created a magical world that will have us feeling like we're part of the story. Taylor and Nate are such funny characters, (it took me awhile to get used to Nate but when I did I really enjoyed reading about him). I could tell you more about this story, but that would spoil it for you. I highly recommend that you read this story, you won't be disappointed.

As always, I'm completely blown away by the imagination that's put into Janae's books. Her story line and plot details are spot on, and create a world that I literally feel apart of. I read this book in 4 hours, and I couldn't put it down. Taylor and Nate are such fun characters (Well, Nate takes some getting used to ;)), who I could relate to in some aspects, while dreaming about being in their world! And the end?!! Oh God, you'll never see it coming!!! I can't wait for book 2! Trust me when I say you won't be disappointed by purchasing and reading this book. It's absolutely amazing! I can't wait to see what else Janae puts out in the future. Will be a long time reader of this author. That's a definite!

Janae has a way with words, writing to the heart and the imagination without having to write filthy expletives to get the heart pumping or the mid racing. With thoughtful pop culture references and a slow but safe venturing into the bdsm culture she writes from the perspective of a beginner and a player in the subculture of the game. Keeping you on the edge as she draws you into Control Freak Branagan and Taylor's relationship only to drop you down to bring you back up this book is full of surprises and I am eagerly awaiting the next installment.

I love this book of Janae it's different it's steamy and at the end. Well you will see. Nate came off like a total bastard. But you get to warm up to him. Taylor was a great artist and a good person. She made Nate see that there was more to life and softened him up a bit. A great fun quick steamy read.
