When I Fall (Alabama Summer Book 3)

Synopsis

From New York Times bestselling author, J. Daniels, book three in the Alabama Summer series.** Author's note ** When I Fall can be read as a standalone novel. For the past nine years, I've kept my heart as far away from my dick as possible. Those two can't be anywhere near each other. They don't play nice, and one of them undoubtedly winds up getting hurt. Not my dick. My dick is good. The women I take home know exactly what they're getting from me "sex. Nothing more. At least, that's what's supposed to happen. The sweet brunette from Kentucky I set my sights on tonight shouldn't have been any different. I had her right where I wanted her. Where I needed her. But when my past comes walking into McGill's pub, the woman in my arms decides to take things to a whole new level, putting me into a situation I never saw coming. My heart is about to get f**ked. My dick can sit this one out.** Warning: This book is recommended for readers over the age of 18 due to strong language and explicit sexual content.

Customer Reviews

J. Daniels's "Alabama Summer" series just keeps getting better and better! "When I Fall" is Reed and Beth's story and to say I enjoyed it would be an understatement. In fact, it just became my

new favorite J. Daniels book, edging out my long-time favorite, "Sweet Addiction". If you've read any of the other books in the series, you know that Reed is Tessa's best friend and loveable manwhore. Having been burned by his first love, Reed guards his heart by restricting his relationships to one-night stands. Beth is the new lady in town. She's had a tough life and is seeking a fresh start with family she only recently discovered. She meets Reed in her family's bar and the two are immediately attracted to each other. When Reed's former love stops by, flaunting her engagement ring, Beth and Reed pretend to be a couple. It doesn't take long before the serial drive-by banger decides to give monogamy a chance. There are many things I love about this book but the main one is Reed. Wow! Christian who? Get your fans out because Reed is a freak in the sheets! Reed Tennyson is the King of Dirty Talk and I'm volunteering to be his willing subject (line forms behind me). He's also incredibly witty and sweet. Beth is a strong, giving, funny woman and his perfect partner. I love that Beth isn't some shy virgin. She embraces her sexuality and is unafraid to ask for what she wants in the bedroom. There's no slut shaming here. Beth and Reed have a mature relationship. For the most part, they do a good job of communicating. They don't fall into the trap of playing games with each other and the plot succeeds without any manufactured drama. Fans of the series will be happy to see that Mia, Ben, Tessa, Luke and even Nolan return to play significant roles in the story. In "When I Fall", J. Daniels once again manages to seamlessly blend romance, humor, steamy sex, and compelling characters into an interesting storyline.

When I Fall was one of those stories that will not only make you feel every emotion, but connects you with each and every one of the characters on some level. All it took was one kiss for the main characters' beautiful journey to begin and that was all it took for me to FALL for Beth & Reed. Reed Fxcking Tennyson paints the picture of being this womanizer and manwhore but deep inside he's sweet, he's beautiful, he's caring and oh SWEET BABY JESUS don't get me started on his fxlthy, sexy as all hxl mouth. 'Cause hot damn... he melted my pxnties, my insides, my ovaries. Ugh. I loved Reed in Where I Belong and All I Want, but it was just something about being inside his head. He hides his scars well and is someone who doesn't wear his emotions on his sleeve; so every thought, every emotion he felt BLEW MY MIND! Beth Davis. Oh lord BETH! This woman by far is my favorite heroine from any of J's books. In all honesty, every one of her heroines are fierce, independent, bada\$\$ women! But Beth, ugh she has this sweetness to her yet she's still sassy, and she's a total minx, just as fxlthy as Reed lol. Her journey and her story was beautiful to watch and one that touched every part of my soul; for Beth Davis, from McGill's, is my SPIRIT ANIMAL. This

book will have your feels pulled in different directions. One moment you'll be laughing and the next crying. I must give it to J, for she knows how to use the secondary characters perfectly in a story making sure that they intertwine. And she does it in a way where you will never be able to forget them (Nolan!!!) for sure. I was taken on a journey of self discovery and I loved every moment of it. From the smiles, to the texting, to Reed singing *sigh*. J, thank you for the Bama Boys; for my heart loves them all but Reed is on a whole other level. He's a rare breed... A mystical creature. P.S. Thank you, love and OMG GIMME BOOK 4 RIGHT NOW!!!

I'm a tremendous J. Daniels fan, and as I'm sure most of her fans did, I eagerly awaited the release of this book. However, upon getting through the first twenty- five percent of the book, I realized that I was reading about another character. What happened to Reed, I wondered. He was confident in the previous books, but in this book he seemed a bit of a wimp. I didn't particularly like his character in this book, and I absolutely disliked Beth. *****POSSIBLE SPOILERS***** She was the epitome of contradiction, a pitiful girl scurrying to a "mean" ex-lover in one scene and a daring stranger who steals kisses in another. I also didn't really care for Ben in this book. He appeared to be a bully of his friends (cussing at and hitting them) who couldn't control his temper, especially when he was emotionally taxed. Even Luke seemed a bit wimpy next to Ben the Bully! Furthermore, I didn't like the sex scenes in the book...they were simply sex scenes. I didn't feel the supposed chemistry between Beth and Reed. In fact, other than their physical attraction to each other, I wondered why they were still together! Perhaps the most distressing part of the book was the end. Not only did I feel that the book wrapped up too quickly and conveniently, I hated the dual proposals. That was just cheesy...not romantic. Although I didn't enjoy this book, I will continue to read this author's works. I just hope she really takes her time with the next one and stays true to the characters whom readers have come to love.
