# Corduroy (Edición Española)

## Synopsis

The Spanish language translation of the picture book classic *Corduroy*! *Corduroy* es un osito que en un tiempo vivió en la juguetería de una tienda grande. Después de esperar junto a los otros animales y muñecas que alguien viniera y se lo llevara a casa. One of *School Library Journal*'s "Top 100 Picture Books" of all time (2012) One of the National Education Association's "Teachers' Top 100 Books for Children."

ISBN-10: 0140542523

ISBN-13: 978-0140542523

Product Dimensions: 8.9 x 0.1 x 7.2 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 3.8 out of 5 stars [See all reviews](#) (23 customer reviews)

Best Sellers Rank: #184,766 in Books (See Top 100 in Books) #21 in [Books > Libros en español > Infantil y juvenil > Deportes y Actividades](#) #100 in [Books > Libros en español > Infantil y juvenil > Animales](#) #105 in [Books > Libros en español > Literatura y ficción > Clásicos](#)

Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

## Customer Reviews

The bear-shaped board book "edition" is NOT the *Corduroy* story. It shouldn't even be listed as the same book. The original story is cute and poignant, and I highly recommend it. But the board book has no real narrative; it is just a list of things that *Corduroy* does one day. There are no other characters, no dialogue, no conflict or issues, no rhyming, nothing but "*Corduroy* is mailing some letters." and "*Corduroy* takes a bath. Look at all the bubbles." The illustrations, while nice, aren't original -- they were culled from other *Corduroy* books. The book is cute enough, and my 17-month old daughter loves it because it's oversized and bear-shaped. But I was disappointed not to get the actual *Corduroy* story, and would not have bought it if I'd known what it was. All that said, if your

child already knows and likes the original Corduroy book, this might be a nice companion.

This is an adorable classic that my daughter couldn't get enough of...Lisa is a very unaffected little black girl, before the "mode" of having black kids in self-conscious stories concerning their acceptance in the world, black pride, etc. Thoroughly satisfying ending where the errant teddy bear is found. So glad Corduroy is in Spanish!! It may be available on a CD; if not it should be.

La historia de Corduroy es muy bella y educativa, pero esta edici3n en espa3ol seguramente fue traducida por gente que no domina este idioma ya que tiene muchos errores ortogr3ficos. Lo cual, por cierto, no desvirt3a la historia, por lo cual no me queda m3s que recomendarles que la lean.

As a career literature teacher, mother & Nana, I enjoy children's books. I gave one to our youngest granddaughter this past Christmas. When we arrived at their house on Christmas Day, I saw the one in their bookcase that I'd given the older granddaughter several years prior. I felt foolish, until the older one said, "I have that book!" Corduroy is always a great story and this version is good for young readers with chubby hands.

A beautifully illustrated, simple and warm nostalgic book -- perfect storytelling for an infant/toddler. My 18-month old granddaughter giggles when I tell her to go get the Corduroy book. She loves it.

This book is basically a primer about the bear; there's no story to speak of and the little African American girl is not in the book at all. I bought this book because I was looking for a more durable version of the original Corduroy for my toddler. I am seriously thinking about returning this as I was looking to add to our library of children's books featuring African American characters. Bottom line: this is a completely different book than the original Corduroy. Don't be fooled like I was. That having been said...it probably is a pretty good "learn to read" book, the pages are nice and big and the illustrations are cute.

The Spanish edition has many spelling errors, so is not good for children reading or students learning Spanish. Errors like deve (debe), vi3 (vio), di3 (dio), qu (que). Unfortunately errors in Spanish versions of English children's books are all too common and it's very frustrating. I am a Spanish teacher and would have used this in my classes except I don't want to have to explain my way around the obvious errors!

This review is for the bear shaped board book edition. This was my son's very first book as a baby. We love Corduroy bear (not the original one but the later books with Lisa McCue's extremely cute illustrations). The fact that my son used to look a lot like Lisa McCue's Corduroy bear as a baby was an added factor for our love for the book! This book shows a day's routine of the bear with him playing, colouring, skating, reading, mailing letters and finally taking a bath and going to bed. Its a very adorable book. The size of the book makes it an ideal lap book and the simple big illustrations and words make it a suitable book from the baby stage. My son started this book at 9 months and still loves it at 2 yrs. Recommended age range is Baby-3 yrs.
