# The Undisputed Greatest Writer Of All Time

## Synopsis

Still recovering from post concussion syndrome, *The Undisputed Greatest Writer of All Time*, was written as a test of his cognitive function, with the express desire to nurture his friendship with Derrick Brown. Driven by the unguaranteed nature of life, this collection of poetry bursts with urgency to understand, hunger to explore beyond one's comfort zone, and attacks the aspects that too often prevent us from having a full life. The first book of poetry by Beau Sia in over 13 years, this work is the reflection of the child no longer at the mercy of his childishness. A boy who will not break his father to be a man. A poet whose words are iceberg.

## Book Information

Paperback: 92 pages

Publisher: Write Bloody Publishing (October 25, 2012)

Language: English

ISBN-10: 1938912071

ISBN-13: 978-1938912078

Product Dimensions: 5.5 x 0.5 x 8.5 inches

Shipping Weight: 7.2 ounces (View shipping rates and policies)

## Customer Reviews

When I first met Beau back in the mid 1990s he was in his late teens and reading at Paul Medina's coffee house on the Paseo in Oklahoma City. He was a star in his ability to entertain. Though some of the other local poets were put off by his hyperbolic self image, his audacity and his sharp wit always thrilled me. The one thing that was totally obvious at the time was how serious he was about becoming a poet. My advice to him was (and even though things have improved here, would still be) get out of Oklahoma as fast as you can--go to New York. He started his film studies at NYU, became an instant favorite at the Nuyorckian, made friends with Allen Ginsberg, and acted in his first movie (*Slam*). He was a cast member of *Def Jam* on Broadway and toured for several years. While I consider him a friend, he was busy, I was much older, in Oklahoma, and so we have never corresponded. I think I can objectively say his newest book "*The Undisputed Greatest Write of All*

Time" is a wonderful accomplishment. His first book in fifteen years, he has gained depth and wisdom without losing his audacity. Marianne Moore wrote about poetry that: "if you demand on the one hand, the raw material of poetry in all its rawness and that which is on the other hand genuine, you are interested in poetry." This bit of verse by Ms Moore perfectly describes why I am "interested" in Beau Sia--he is both raw and completely genuine. His newest poems are very personal. . . because life is personal. I love this book and I love his publisher, Write Bloody Books. Beau's book will fill several slots on my Christmas list. I wish him and all a Happy New Year. Yours ever, Larry.

Honest, reflective and unapologetic, Beau Sia pushes towards an evolution more humane and more infinite, illuminating connections past, present, future, within a nonlinear relative continuum. Sometimes funny and always personal, Beau displays unmatched dexterity with unexpected and provocative strokes. This is a valuable work by an impeccable craftsman. Decipher the code, and commence teleportation.

This book is indeed a work of art. Compelling to the fact of just wanting to throw because it was so good. The poems in the book are so real and touching to your heart its an actual person. There are many dope parts of this book that make up this wonderful man. Beau Sia out did himself this time.

This book is truly a work of art. Beau Sia delivers powerful words that make you want to cry and laugh and scream all at the same time. His latest book is by far one of my favorites. Beau's words jump off the page, leaving you wanting more of his raw truth. Read the book. Look him up on Youtube. Get inspired.

Each word in this book urges you & challenges you to live life more fully, a life more in touch with the real you. But it's not a self-improvement book; it's a book of poems. He does what all the greats do: Beau unveils his life to reveal yours. It's outlandish, sobering - not in a heavy way but more like a weight being lifted.
