Customer Reviews

This book was great I loved it from beginning to the end. I felt bad that Riyah attracted the most craziest men, who either had a possessive, dark side or psychotic side to them. All three of these men were dangerously in live with her. This book definitely had every bit crazy in it and I lived it. Great job can't wait til part 2

It had every type of crazy possible. Although the timeline was hard to follow, as far as how much time had elapsed between one scenario to another, it was still a great story. Hez is the definition of PSYCHOPATH. Great job, I can't wait to see what the author has next.

I truly enjoyed the plot, as well as the characters, but as I always say poor grammar will kill a book, and in this case that's just what happened. I was not able to fully enjoy it because I had to keep stopping to reread so many sentences, too make sense out of what the author was trying to convey. I believe that if the author rerewrote this book, it would get many more raving reviews.

This book was all kinds of crazy. I started reading and when I stopped I was at the last page. The title definitely fits the story. Poor A'Riyah just can't catch a break. She ends her long time relationship with one crazy man, only to end up meeting an even crazier one night stand, and that's just the tip of the iceberg. You have to read the story to see what I am talking about. I hope that there is more to this story. I need to know what's going to happen next.

The title of this book fits the characters very well because Hez was definitely every bit of crazy! A'Riyah couldn't catch a break with men but when she finally did she was taken from him. This book definitely kept my attention with all the different storylines for each character. I gave it a four because of some editing issues (incorrect names being used, no punctuation...).

Hez was definitely every bit of crazy. The title fits him well. This book held my attention with all the different storylines for each character. The book has some editing issues but did not take away from the storyline.

Awesome book. I loved it. A real page turner. But on the down side, I had to read it holding my Red pin. So many Typos.. Patiently waiting on the sequel. Hez is a Really Sick Individual. Lol.
