## Synopsis

Marcus O'Neal sees nothing wrong with wanting two women at the same time. He feels that his charm and the power of the "D" will be the answers to Charlene Wilson and Keyshia Green's every prayer. Little does he know that Charlene has a few hidden secrets of her own that will bring more drama into the mix than Marcus has ever seen in his entire lifetime. Marcus's girlfriend, Keyshia Green does whatever ...whenever...however ...anything to please her precious Marcus. She's invested her time and plenty of effort to do whatever it takes to keep her man around. She is determined to win in the end but at what cost? Marcus definitely is wanting to have all his birthday cake and two scoops of ice cream on the side....besides he knows that neither Keyshia nor Charlene ain't going anywhere with all that good mind blowing sex that he's putting on both of them. The only thing is he never thought of the consequences that would take place after all of his mind games. Things begin to spiral out of control and his world suddenly is turned upside down. What do you do when your back is against the wall? How do you handle drama that you never believed imaginable? Who do you turn to when you find out that your world is slowly but surely becoming down right GUTTA?

## Customer Reviews

I hate to write reviews that are in a negative light, but this time I have to. I tried my best to continue to read this book, I get the point of the characters telling the story, but when they veer off into la-la land and it bears no bearing on what is being talked about, it is a bit much. I found myself trying to figure out what certain words meant like Uh he. I have no clue what this means, and the author should've taken that into consideration when writing. I was so thrown off by words like this and there were quite a few of these amongst others. I am sorry, but this is just horrible and frustrating. There is too much repetition. How many times will Charlene describe why she is known as GUTTA? How many times will she talk about Marcus' playing with her emotions? I don't mind the cuss words, but when they seem to not be needed or they are every other word, it becomes a little annoying. I got to ONLY the second chapter and had to call it quits. I was going to continue to read and push through but after speaking with a friend of mine who read it, she said it isn't worth the time. She said that the book continues in this fashion until the last couple of chapters and the ending is just as disappointing. I may try to read it one day, but I doubt it. This is the type of book that you will read only when there is nothing else and you don't have .99 to buy another. My review is not as a put down to the author, but I hope you take the criticism and expand. There was a great foundation for an excellent story line, but you lost me in your execution. Good luck in your future endeavors.

I loved this book. The fight scene with Keyshia and Gutta was too funny. Needless to say, I was hooked from the first sentence. The ending got me, without spoiling it for others let me say that a man never realizes how much he loves his woman until she can't take anymore. I'd recommend this read and I'm definitely ready for part 2!!

The cover of the book is what intrigued me to buy this book, and I can say that I enjoyed this book from a person's inner thoughts and feelings. This books shows you everyday people, everyday situations and everyday life in general- except for slice..slice.... Don't want to give away too much, but this is a great urban tale. Looking forward to future books. Marie Ann :)

If there was one small complaint about this book, it would be the southern lingo/Ebonics smash up. After a couple of chapters, it grated on my nerves. I'm used to urban fiction novelists using the street language, hood linguistics if you will, so it didn't stop this from being a great book. I've read a book

by Redd before so I had big expectations for GUTTA; she did not let me down. This is a deep story from Gutta's perspective, it had some really funny moments (I laughed out loud) and it also addresses the seriousness of abuse. I like that Redd did her homework, really giving the readers and accurate depiction of mental illness. The best part is that the second book is already out, and based on reviews alone I've already purchased it.

GUTTA... an interesting tale of a woman, who played no games with life... a young woman who fell victim to life's hardships and managed to deal with them accordingly ....until her past came back to haunt her... GUTTA a survivor by nature .. handles business in the only way possible, killing anyone who gets in her way....Gutta the work of fiction has a nice mix of characters all who have issues with trust, romance, relationships the range .. Gutta who struggles with the aforementioned demons also suffers from mental health issues.. what is interesting about Gutta/Charlene's story is how we all live double lives however are unable to acknowledge who we really are. Great Read, looking forward to Gutta II to see how the story plays out.

Gutta is one Bad Bitch! I couldn't get enough of this. My emotions were on overdrive! Boy did I laugh at Keisha's ass for sporting her clearance Roc A WEAR and her body stray. I felt Charlene's pain while she relived her childhood. I enjoyed the friendship she shared with Trisha. I was on edge while Gutta did her thing and I cheered Marcus on in his attempt to go out and find the love of his life. Now I am off to part two!! Fantastic Book Redd. I truly enjoyed it!!! :)

Omg I love Gutta she my new girl character crush I was laughing so much in this book and rushing to read to see what was gonna happen next Keyshia and Lolly should've mind their business and they wouldn't have met Gutta I love how Marcus expressed his love for her he so sweet but wrong for cheating Authoress Redd did a fantastic job and I will continue to support her Ok next up is part 2!!!

GUTTA was SOOOOOO GOOD, PURE FIYAH. A PAGE-TURNING STORYLINE ABOUT PEOPLE in SITUATIONS that SOME of US can RELATE TO. MARCUS was TORN BETWEEN TWO WOMEN, CHARLENE aka GUTTA who was NO JOKE & KEYSHIA. He was in LOVE with ONE, and in LUST with the OTHER. A LOVE TRIANGLE with DRAMA, DRAMA, and MORE DRAMA. PAST ACTIONS LED to REACTIONS and CONSEQUENCES. WHO will MARCUS CHOOSE? Will HE HAVE to CHOOSE? OR Will the CHOICE be MADE for HIM? BUY and FIND OUT WHAT HAPPENS, YOU WILL NOT BE DISAPPOINTED. I LOOK FORWARD TO READING FUTURE

BOOKS BY AUTHORESS REDD, WHO DID AN AWESOME JOB. GUTTA IS ABSOLUTELY RECOMMENDED.....
