saved my reviews until I finished the entire series. The book was definitely a very good eye opening experience. That hoe Tammy. smh I know a real life Tammy that fits the bill. Gorgeous should have followed her instincts about that dog faced Tammy but when we fall in love we sometimes over look the obvious. Its ok because she still didn't end up with dude after being a side h.. for years. People should blame nae nae as much of a thirst bucket as they did Jay. I couldn't of taken him back after witnessing him giving old girl the business. Heads would have rolled. He wasn't in love with Tammy. He was just a selfish cruel joke of a dude that got the goods from her because she made herself available. Until she got the brakes beat off of her. Imao whap whap whap Lastly Im happy Gorgeous found out in order to be happy she had to stop trying to be a people pleaser. Lawd if I could tell you what it took for me to stop trying to make everyone happy at my expense. I finally found the ability to learn how to say NO It did take a long while though Loved the series but all that back and fourth lovers. sideeye)

I woulda given this book a minus if I could've. This book WASN'T good at all. Part 1&2 were good but this book was AWFUL! Yes I read it but only because I paid for it. Stop & save your money...DON'T buy this book!!!

This was an alright read. I didn't care foe Shanae at all. She was a the biggest snake in the book, yet everyone pointed at Jayceon. She was a liar, a cheat, and a hypocrite and when pointed out, she turned it on someone else. Gorgeous is just a people pleaser which is why she hung on to Shanae friendship. Even after getting her Mr. Right, she still kisses someone else. I love Darnell and Karleen. I am glad for DaRell and who he married. I wished it would have been more conservative for Jayceon. This is recommended.

In the first book I thought it was going to be the same thing plot "Guy thinks he's gods gift and girl puts up with his s*** like a stupid chick. " But nope! She wises up and leaves his ass! Finally a

book(s) where the woman is smart and doesn't put up with the bulls***. So many twist and turns but it all wraps together in the end. Loved it !

I was captivated by the first book in this series! It had twists and turns ups and downs. I was excited to see that the third and final book came out. It was very well written, the storyline flowed, the characters seemed real and most important of all it wrapped things up nicely, no loose ends. Kim Kaye u did ur thing girl keep the good books coming! ^

I'm so glad that Gorgeous was able to find true love and actually be happy! There was always some type of drama lurking around corner! I enjoyed reading part 3 as much as part 1 and 2!!

This was okay. Gorgeous GOT ON MY NERVES. I was hoping that her and JACEYON got back together. But he will never change. SHANAE found her prince charming. Everybody ends up HAPPY.

Thank you Kim Kaye for another excellent book. Im sorry that it had to end, but all good things come to a end. Im so glad at the end, that everyone end up Happy.
