Joshua Healy (Mitchell Healy Book 10)

Synopsis

They say without the support from his family, a man is lost. My parents have been pushing me to make the right choices throughout my life. Instead of taking their advice, I've gone against their guidance more times than I care to admit. Now I've done the unthinkable; something they would never approve of. I'm involved with a beautiful, compassionate woman, but I've also been in a complicated relationship with her best friend on and off for several years. I don't know how it's possible, but I have deep feelings for both. Now one of them is pregnant. My choice should be easy, but nothing ever is, at least not in my experience. I want to reach out to my family, but I already know they'd tell me I screwed up, just like in the past. I have to figure this out. A choice will be made. Hearts will be broken, and one of them will most definitely be mine. I'm Joshua Healy, and this is exactly what I deserve.

Customer Reviews

Wow, I love Josh Healy! I love this series, a big family with a great family presence and I've got to see each one of them fall in love, Jennifer Foor has written a brilliant and recommended series with swoon worthy men and great characters. A bit about the plot: Tamsyn goes to college and works at her dad's car dealership she finds out her boyfriend of three years has slept with her roommate and

the relationship is over despite his begging her and saying it was a mistake. Josh Healy never got over his childhood love Liv, so hearing she has got engaged sends him into a depression, Liv has used him for years, kept him on a leash, she was with other people but kept his hopes up, their relationship was nothing more than sex but Josh always hoped she would come to her senses and want more from him than the occasional one night stand. Josh refused to settle down, always hoping for Liv so he became a serial one night stand guy with a reputation. Josh with his swagger asks Tamsyn out on a date when he meets her at the car dealership the timing for both of them is wrong but so right as they both console one another and a one night stand turns into more. Both Josh and Tamsyn are a great couple the chemistry is special they become best friends as well as lovers and manwhore Josh turns into a swoon worthy and sweet talking guy. You can picture there forever until Liv returns home, she hears Joshua has a girlfriend and her plotting and selfish ways come into play and things seriously gets heated. The angst the drama I was seriously on edge, turning the pages frantically wanting the good bits to come, I felt each characters heartbreak, I also felt the love the passion and the joys.
