# The Lullaby Sky

## Synopsis

After seven years of misery and abuse, it's all over. Hannah O'Malley is officially divorced. Hallelujah. It's like every Christmas in her life all rolled up into one glorious day. Not only does Hannah get to keep her grandmother's spacious old house, but she has full custody of her sparky five-year-old daughter. All Hannah has to do now is put the past behind her. And now that she's free, she wants to make a difference. With the help of her warm, close-knit circle of friends—including her high school crush, Travis Wilson—Hannah begins turning her home into a safe house for other women who've endured the pain she's known. But even as life and laughter return to Hannah's home, she's haunted by the memory of her dangerously unstable ex. With a second chance at love on the horizon, Hannah must face down her past in order to let the sunshine back into her life.

## Customer Reviews

If you are looking for an excellent example of Women's Fiction you have come to the right place in choosing a Carolyn Brown book. This one in particular is flowing with uplifting scenes and will take you to a happy place. The Lullaby Sky begins with the heroine, Hannah standing in a courtroom

ready to face the judge who will end her tumultuous life of abuse at the hands of her husband, Marty and grant her the freedom of a divorce. Backing her up and supporting Hannah all the way are her special friends, Travis, Darcy, Cal and Liz. Hannah walks out of that divorce court with all she desires, full custody of her daughter, Sophie and the title to her family home in Crossing, TX. From the courtroom to the special place that family home becomes as it evolves into The Lullaby Sky is an adventure you will want to embark upon. The secondary characters bring much love and laughter into the story. In addition to Hannah's circle of supportive friends you will meet Aunt Birdie, Hannah's great-aunt and Miss Rosie, Travis's grandmother. You will laugh along with them during their skunk encounter as well as when you read their various threats about Hannah's ex-husband. For example, Aunt Birdie has this to say when the evil, abusive ex shows up in Crossing, "And don't you worry. That scoundrel don't get out of town real fast, me and my shotgun will have a come-to-Jesus talk with him. I don't think God wants him, so we'll just bypass the pearly gates and send him on to hell." You will smile when you meet little Sophie, almost six years old and a precious angel. Hannah's Mama makes an appearance to show her love and support as well as serving as the wise advice loved-one to rely upon. Yes, there is a hero in this uplifting story.
