Reawakening (A Regent Vampire Lords Book 3)

Synopsis

It's not a piece of property that you can just claim, Romaric. Having been held hostage for a month by vicious vampires, Sarah is now recovering in the most unlikely of places—the shelter that her sister, Kate and her vampire mate, Devon, opened to help such victims as herself. After months under the watchful eye of her sister, she finally put a plan into motion to secure her future when a very imposing, very stoic and utterly drop dead gorgeous vampire takes her world by storm and turns it completely upside down. Ah, but that's where you're wrong, my beauty. You are mine and I've come to do exactly that. Romaric Dietrich, West Regent Vampire Lord is one of the oldest vampires alive. He's cold, calculating and nearly unmatched in power. Vampires recognize their Moiras instantaneously and upon first laying eyes on Sarah Hill, he senses she's his. His Moira. His Destined mate. The one woman meant to be his and his alone. But how is that possible when he'd loved and lost his first? In his quest to uncover the truth, not only does he discover that Sarah is indeed the other half of his soul, but he put himself, and his mate, in the crosshairs of yet another very powerful enemy. Only bonded together do they have the power to win the battles ahead. With one look into his icy-blues, Sarah knows that Romaric is not the aloof, uncaring enigma he pretends to be. Underneath his cool, rough exterior lays a passionate, romantic and fiercely loving heart of gold. As they fight the battles to come, Sarah holds the key to not only unlocking his centuries hardened soul, but to the one thing that will save them both from this new nemesis. But will she make her decision in time? And will they finally get the happiness they both deserve? **Warning—this book contains graphic sex and foul language and is only recommended for those over 18. Also, while this can be read as a stand-alone, I would not recommend it, as the underlying storyline continues from the previous books in this series.

Overall Rating: 4.25 Rockinâ™ â€¦â€¦â€¦â€¦. In this next addition to the Regent Vampire Lords series, Reawakening (book 3) by K.L. Kreig the saga continues with Rom and Sarahâ™s story. As their tumultuous pasts collide they come together to build a future for themselves and other supernatural beings. This paranormal romance is filled with drama and angst. The underlining secondary storylines build towards a fantastic heart felt ending! I've patiently been waiting to read this book and didn't want to read it quickly, because I knew I would have to wait for the next one. I was not let down by the authorâ™s quick wit and charismatic characters as she delivered another phenomenal fictional read. Rom lost his Moira long ago. He is the rock, the foundation for the regent vampire lords and we are given an entirely different perspective of him in this book. He is the oldest and strongest of the regent vampire lords. His fierce possessiveness of Sarah enables the reader to understand him even more because of the scars hidden on his soul that haunt him from his past. Fiery, enthusiastic and wanton, Sarah fills Rom's world with color. Her submissive obedience in the bedroom and defiant personality elsewhere combines for explosive interaction between them. After being captured by Xavier and then rescued, she has her own demons to work through. There was so much going on I didn't want to miss anything. I discovered that I really like Geoffrey and hope that he gets his own book. Also, because Sarah is a daughter of Xavier, her interaction with her sisters provides dimension and additional layers to the story along with updates on the previous couples. This was another exceptionally well written book that enhanced my library. I look forward to whatever this amazing author does next.

This is the third book in the Regent Vampire Lord's series and I believe that this one is my favorite. It is the story of Romaric and Sarah. Romantic c was also quite says the mysterious one of the Lord's. You didn't get to know much about him at all. He always seem so cold and very powerful. It was hard to realize that he could actually have feelings for anyone. But this story certainly brought his feelings alive. It was a great story; filled with love, hope and t h e true sense that love does

conquer all. It also had a bit of humor too. All in all it was a great addition to the series. I would have given it a five but it did have some grammatical errors.

First off, I have to say that I LOVE KL Kreig and the fantastic world of the Regent Vampire Lords. From the very first, I thought her take on vampires was refreshing and unique. I love her writing style, and the sex! My gawd, the sex! Rom and Sarah's story is just as intriguing as those of Dev and Kate, and Damian and Analise. Rom's painful past and Sarah's trauma bring a different perspective than the others, however. Sarah is a very strong person mentally, and I love that about a heroine. Rom is ever the sexy alpha male, but reluctant to hand his mate his secrets. My only objection is that I felt the editing process could be a little more thorough, and that's why I'm giving it 4 stars. The story itself is AWESOME, and a handful of grammatical errors shouldn't detract from its essence.

I love this book, this series. KL Kreig is owning this genre. Plot, pace and characters are brilliant and believable and well, pretty darn hot. The book is very well written and excellently edited, something which many authors are not paying enough attention to of late. I can't wait to see where the future takes this author.

I've been looking forward to this book ever since the first one came out (Surrendering) and I have to say, THIS one is my favorite!! Sexy vampire? Check. Muscles and tats? Check! Enough sexual tension to feel like a pulled taut rubber band? Double check! A Moira (human female) who can bring the strongest and oldest of vampires to his knees? Triple check!!! I have thoroughly enjoyed KL's RVL series, but Romaric has always been my favorite. He's always been the stoic, logical and calm Lord of the West and nothing ever ruffles his feathers. He says "jump" and other vamps say "how high?" for centuries. What do you do when your Moira, your fated one, in effect says, "No way!" and "Why?". Yeahhh....lol. I've thoroughly enjoyed watching the fireworks between Sarah and Romaric and the mistakes each of them make in learning how to be a team and a couple. Romaric is alpha to core, so you can expect him to use everything he can think of to convince Sarah to be his including his tatted and lickable body :P. Phew!!! Sarah is no shrinking violet and believe me when I say she definitely gives Romaric a run for his money! This book continues KL Kreig's Regent Vampire Lords saga with an underlying theme, so if you haven't read the two previous books in this series, I highly recommend that you do so to understand the relationships the characters have to each other and the continuing storyline. You will not be bored with others and I love the fact that the heroines don't let their Lords get away with anything!
