## Synopsis

Beginning with Forever (Book 1 of 3) âœ Carson, Iâ™m freely offering myself to you right now. Please, âœ I plead fearlessly. Iâ™m shameless and not above begging for him to take my body. Who is this sex-craved woman anyways? âœ Sweetness, youâ™re making it very difficult for me to resist you, to control myself. âœ He lowers himself intimately close to graze his soft, moist lips on my forehead, bridge of my nose, and then intensely over my lips. The urgency of his need for me is translated through his kisses. Biting down firmly on his lower lip, it appears that heâ™s forcing the strength of his will to remain tame. Our eye contact is broken when he seals his shut to blind the temptation lying underneath his body. His hands grip the sheets desperately, clawing and then fisting. I think this is his last hope of hanging onto his dignity. âœ Goodnight Lily, only offer your body to me when you believe it in your heart, âœ he murmurs and rolls off me. Sometimes forever finds you âœ Love isnâ™t easy to forget, even when youâ™re determined to never feel it again. It has a way of finding you, resurfacing raw emotions youâ™ve buried deep inside. Carson Bradley is the CEO of Bradley Pharmaceutical Corporation, a powerful and influential multi-billion dollar drug empire. His wealth stretches beyond anyoneâ™s imagination, but itâ™s of no use to his lonely soul, which has been dormant since the death of his first love to cancer. He strives every day for the sake of his research because heâ™s determined to eradicate that vile disease forever. Lillian Ly is a humble, young medical student whose compassion for people is boundless. Being raised poor by a single parent, she matured quickly and respects the sacrifices her mother has made for her. Lillianâ™s determination leads her down a stringent five-year path with no room for love. When a tropical storm forces their paths to cross at an unlikely place thousands of miles away from home, they both realize love isnâ™t a matter of choice or determination âœ love is powerful and irrepressible, especially between two kind-hearted people with a common interest in healing the world. Carson is familiar with desolation âœ fifteen years to be exact. With Lillian by his side, he will never return to that dark place again âœ even if it means dragging her through his ugly past and into his dangerous world of pharmaceutical rivalries. Lillianâ™s uncomplicated life will soon be a distant memory as she willingly follows her heart to be with the only man sheâ™s ever loved. Together, they will endure any obstacle to hold on to their forever. (Contents are not appropriate for under 18)

## Customer Reviews

DNF @ 28%. I could do it! I couldn't get to my 30% mark that I usually aim for before putting a book on my DNF shelf. It was too instalove for me. Also for being instalove (which I sometimes do not mind) -- I surprisingly felt no connection at all! Too much inner dialogue and the actual conversations that did occur did not sound like natural conversation, or at least I don't know anyone that talks that way. Here are the types of things that were said that pushed it over to the DNF pile: This was @ 23% after Carson sees Lillian hugging her male friend... "As of now, weâ™re EXCLUSIVE!â• he exclaims, enunciating each word slowly and stressing the very last one. I look at him, appalled. âœI want to be the only man in your life,â• he adds with dominance in his tone. Who the heck does he think he is? My sensible side tells me to run for the hills because heâ™s a possessive jerk, but I donâ™t want to. My feet are being obstinate. They wonâ™t move. I think Iâ™m already emotionally hooked on him. Stupidly, I decide to forgive his mood and set my uncertainties aside. "Well YEAH you should run for the hills!! Psycho much!?! They've gone on ONE date at this point! @ 25%... "Iâ™ve accomplished my task of leaving my scent on her bed for this evening, so itâ™s time for me to go." @ 26% on their second date... "I couldnâ™t wait a second longer to see you,â• he whispers against my lips and places the lotus in my hand. âœI adore you the same way you adored this delicate flower the other day at the resort.â• @ 27%... "God, I think Iâ™m starting to fall really hard for this man." @ 27% a note Carson left for Lily...
