F*cking Animals: A Messed Up Story Of Mental Illness And Sex

Synopsis

Combined together in this collection are Matt Shaw's infamous 'Bird' and 'Cow' Please note: these tales are also available separately although it works out cheaper to purchase the two together. Warning: There are disturbing scenes and strong language in these titles. If easily offended, or shocked, please do not purchase. BIRD: 'Bird' centers around a dysfunctional husband and wife and tells the story of their relationship problems. Constantly trying to get one up on the other, the wife decides that they're going to get their own turkey for Christmas this year and fatten it up themselves, feeding it only the best of foods. Not only is it more work for her stay at home husband, but it is also a form of punishment as the bird-fancier will be the one who has to kill the turkey when the time comes. He kills it, the wife cooks it - that's what she plans. Soon the bird becomes a key character in helping the man decide what he wants from his life. Spending more and more time with the turkey, the only person who'll listen to his problems, talking things through - will he realise his marriage is over or will find a way to rekindle their love for one another? Only time will tell. COW: It's all gone wrong for Elliott Chudleigh as he finds his life taking a drastic new direction.... No more can be said for fear of ruining the storyline but expect more craziness in this direct follow-on which will leave you opened mouthed and questioning what the Hell you just read...

F*cking Animals is a book containing both Bird and Cow, two very disturbing, yet highly entertaining tales from the twisted mind of Matt Shaw. Elliot is a man in a loveless marriage, one in which he and his wife Becky fight all the time. He tries keeping the peace and raising her two children, but as time goes on, he begins feeling like he can't do anything right and contemplates leaving the marriage. In Bird, Becky commands Elliot to purchase a live turkey so they can fatten it up for Christmas dinner. As Elliot struggles to keep his mind together, he develops a "relationship" with the turkey they named Tina. This relationship soon spirals out of control and it doesn't take long for things to take a tragic turn. In Cow, Elliot runs from what he's done and meets Freya the cow. Again, he develops a relationship with Freya and the story closes in a heartbreaking way. These stories are all kinds of f*cked up. Elliot is disturbed in many ways and what he does, or tries to do with these animals is disgusting. However, both stories have a very real human element and despite what Elliot does, you can't help but feel sorry for the guy. Having read many Matt Shaw books over the years, I can truly say that these two tales are his most unique to date. This book is a definite must-read for - um - animal lovers and those who just like weird stories.

omg. just when I thought Matt Shaw couldn't get anymore strange. he writes this book. wow wow so far out there. it goes places most books would never go. Birds Cows Oh My!!!!!! All in All it was a fun read . Matt Shaw will always and forever be my favorite author.
