You Don't Know Me: A Bad Boy Mafia Romance

Synopsis

Tashal knew Noah Abramovich was trouble the first time our eyes locked. I was sixteen that summer. Sitting by the pool eating an ice-cream I can still remember how it melted over my fingers and dripped onto my thighs as I stared back at him. It wasn't just his Greek god looks, the animalistic Alpha attitude, or his tall, powerful muscled body - it was the aura around him that screamed, 'Don't fuck with me.' At sixteen I wanted him with the passion of a woman, but mine was a world of unwritten rules. Rules that are worth more than a man's life. I didn't need anyone to tell me that he was everything I could not have. He never looked at me again, but I watched him from afar. I could tell there were deep secrets that kept his smile hidden. Dark and mysterious he seemed to fear no one, not even my father. A man he should have. One I feared greatly. As the years passed, the afternoon when time stilled became as unreal as a dream. I am twenty-two now and in six months I will be married to a man my father chose. I will do my duty and bring respectability to my father's dynasty, but before I give myself to that man, I must have a taste of the forbidden. Just one night with the man of my darkest fantasies, so I don't lie on my deathbed, and regret that I never reached out and took the one thing I wanted most in life. But what if it's everything I imagined and more? What if one taste is not enough? Noah. In the Mafia world, your past is never far behind. If you are careless, it seeps into your future and gets you killed. Just when I had fooled myself into believing I'd stepped away from it all, it suddenly appeared in my office. Tasha Evanoff: She is what original sin must have looked like. Blonde, beautiful, voluptuous, and with secretive sapphire eyes that see right into my tainted soul. She comes offering one bite of the red apple. If I had any sense I'd shut the door on her, and send her back to her father, a psychopath of the highest degree. But that's not who I am. If the pretty princess has the courage to walk into the lion's den, I'm sure as fuck not going to pass on a challenge. I'll take one bite of her apple. Why the fuck wouldn't I? I've been lusting after it for years. I will spread her wide and ravage her delicate flesh. I will leave her aching and sore and ruin her for any other man. She naively thinks everything will go back to what it was before, but I know what she doesn't. You can never have just one night of raw passion. The body will always crave more. She'll be back and I'll play it cool. But who am I fooling, I'm never letting go... -You Don't Know Me is the sexy spin off standalone romance to the bestselling, You Don't Own me (The Russian Don series) with HEA and is 60000 + words or 300+ paperback pages. You Don't Know Me by Georgia Le Carre is the third book in her Bad Boy Mafia series. I loved Dahlia and Zane in the very mysterious and thoroughly sexy You Don't Own Me and this is just as good in that it is sexy, sensual and sweet! Noah Abromovich had been Alexandr Malenkov's (Zane) personal assistant in You Don't Own Me and the two worked very closely together. Now he has his own story. Noah has been in love with Tasha Evanoff since they were sixteen but knew their worlds would never intersect because of her father. He is the head of a branch of the Mafia who rules with an unforgiving heart. Tasha had been in love with Noah since she first saw him but didn't think he would love her over fear of the tight rein her father held over her and the rest of the family. Nikita Evanoff, Tasha's father and the Mafia king, has promised her in marriage to a man she doesn't love and actually thinks is an arrogant and uncaring ass! She goes to Noah before her marriage and asks him to show her what it is to be loved. Needless to say, this book begins with quite the heart-stopping event! Noah and Tasha find every possible time to be together, even if it means sneaking out, taking risks and chancing the discovery by her father who will show no remorse in ruining their lives. It's a cat and mouse tale of what a couple will do for love and just how far a father will go to show his daughter who's boss! I loved the "trips" that Noah and Tasha took to be on their

own and it really got intense as they fought to keep their love alive in the midst of her father's evil. As Noah and Tasha became more committed to each other, they knew something had to be done before she was "handed off in marriage." Tasha comes up with a brilliant plan, albeit shocking!
