## Customer Reviews

Ok, please let Part 6 be the Finale!! The storyline is starting to fall off to me and not be too interesting any longer. How many times can Tamia get kidnapped & beaten & how many times can Michelle/Missy get herself into situations where her split personality kills people. Over it ^• ^•

I hate that this sneak peak cut the book short but any who, I enjoyed this book. Really need Rashard and Tamia to get it together. Its time Deuce gets more involved in this book with Candy and their love life. In all honesty I skipped all of Michelle/Missy parts. Still don't know why she's still alive, psycho.

Wow! This series here. First I gotta say, Tamia and Rashard should've been over. He is doggish and deserves to be with Michelle/Missy. Those Two will either fix him or kill him lol. Tamia should've been gotten rid of him. I really don't know why they all going crazy over him anyway. I'm getting bored with them. Michelle/Missy is killing me. They are too crazy. But why they keep running into folks crazier than them? The things Missy says and does is not funny, she's hilarious. I was almost in tears when that girls father was trying to kill her and she was making jokes. Then he had the nerve to threaten her with the little girl. I'm still laughing. Now they got children? Uh oh. Then how did Medusa make it and is still at it. Later for Rashard and Tamia what we gonna do about Michelle/Missy and their children. I read through this book lmao and nonstop. I am looking forward to the next part.

I knew who the mystery guy was gonna be. When she pushed him down the stairs & he wasn't there when she came back out...i knew we hadn't heard the last from him! Tamia gettin kidnapped is gettin old. Rashard still need to get it together. Candy still that ride or die chick for Tamia. Armani trusted the wrong person. Michelle/Missy keeps finding herself in crazy situations & now she got her own lil version of children of the corn with her lol! Ready for the next one!

Omg it's getting crazy can't wait for part 6 to come out Missy is sick I hope they find them and Rashard get it together

Love this series of books I can't put it down. I just want Armani to be happy and bad things stop happening period lol

I can't wait for the next book to come out to see what happens next. I recommended this series to my friends.
