Who's Between The Sheets: Married To A Cheater

Synopsis

Whatâ€™s done in the dark will always be brought to the light. Some secrets can never be kept hidden. Hazel and Jamal have been together for six years and are just now getting married. Just after the wedding Hazel soon starts regretting saying the words I Do. Hazel eventually begins to realize that Jamal isnâ€™t the perfect husband that she thought she married. Jamal has never really been faithful to Hazel but marries her anyway. He has been cheating on her for over two years. He loves Hazel but Hazel doesnâ€™t know how to sexually satisfy him, which puts Jamal in a complicated situation. Xavier has been with Jet for four years and they have one daughter together. Jet wants her freedom to drink and party all night without hearing Xavier breathing down her neck. Xavier wants Jet to be responsible and stay out the clubs, but she isnâ€™t hearing any of that. Jet soon starts sleeping with someone else and when Xavier finds out Jets secret all hell breaks loose, he dismisses her and decides to raise their daughter on his own. Whoâ€™s between the sheets tells a story of different couples who just aren't satisfied with their partners sexually. You will be amazed when you find out WHO IS actually BETWEEN THE SHEETS.

Customer Reviews

Who's Between the Sheets by Shanice B. is definitely one urban romance that readers don't want to miss. Shanice B.'s talent continues to shine on with every novel that she writes. I can't believe how realistic her characters are. The emotional journey is powerful and believable. It's easy to lose oneself within each character's shoes. Understanding and sympathy can be felt for some female and one male character. Marriage life is full of its ups and downs...especially for characters like Hazel. Her husband has been cheating on her for two years with a stripper. The stripper is pregnant and then ends up losing the baby. But that doesn't stop the stripper from destroying what's left of Hazel's marriage. The marriage is barely hanging on by a thread and only hanging on due to her recent discovery of being pregnant with her cheating husband's baby. As soon as the stripper comes by with her plan to destroy...Hazel gives up and her husband, Jamal, finds that marriage is just not what he wants anymore. His brother is fed up with the way he treated his wife Hazel but knows that he can't his brother. Then there's Jamal's brother is having relationship issues with his girl. Finds out that she's been sleeping with another woman. On top of all that, she's been an irresponsible mother. But after his woman's lover secret comes out...Jamal's woman comes back to him. Working on being a better mother and girlfriend to Jamal...but only time will tell if everything will work out for Jamal and his woman. Drama is tenfold in this exciting tale. I was surprised by all the crazy stuff going on that Shanice B. was able to keep things going straight...it was easy and fast to read. I felt like I was watching everything happen as it happened. Incredible...steamy, and contains a lot of adult content...but definitely a must read. Who's Between the Sheets will keep readers guessing...

This book was an awesome read. Jamal was wrong in so many levels. Felt bad for Hazel. Nikki scandalous whore. I didnt like her at all. Jet was wrong too but she came back to her senses. The end was unexpected. Well written and the drama was well executed. So it holds the interest from start to end.

Why didn't you finish this????? Husband cheats on wife then agrees not to anymore and suddenly side chick shows up at a "family" barbecue to confront the very pregnant wife.....and the husband doesn't respond or defend his wife!!!!!! Not at my family event would this chick even get in the back yard...the response received from the author was just to let this chick talk about getting her man back then THE END.....not good.

This book was filled with sex , betrayal, lies, and alot of secrets. Jamal just couldn't get it together. He had a good one at home but that wasn't enough. Xavier crazy in love with his girl but she had alot of going up to do. Hazel was my favorite character from beginning to end. What a good ending . Sometimes u get what u want then at times you get nothing.

I was surprised by this book I honestly didn't think I would like it but in actuality I freaking LOVED IT!!! Boy when I tell you I was fighting sleep trying to read this book... There was so much drama and Jamal & Nikki boy boy boy.. Hazel all I could do was smh at her gullible ass

Jamal is an ass.....I think Hazel forgave him too quick and Xavier did the same with Jet forgave too quick. Who says they want stray again. Nikki got balls to roll up on him at a family gathering. Weak ads Jamal going to mess up his marriage and family for a hoe....smdh

This book had me so conflicted because one minute I was rooting for Jamal and hoping him and Hazel would have their happy ending. The next minute I was hoping she would find somebody else that would show him what he could potentially miss out on. There were some twists and turns as well that had me on edge. Nonetheless, I am definitely awaiting part two to see how this plays out and find out who's really going to be between the sheets?!

An unexpected surprise!!! I truly enjoyed reading this book, so realistic. The author does a great job, well written with some interesting twist and turns. You will feel as if you know the characters each and everyone.It was nice reading about people who actually had jobs and did something besides selling drugs.
