Dirty: A Dive Bar Novel

Synopsis

Love is on the rocks. The last thing Vaughan Hewson expects to find when he returns to his childhood home is a broken hearted bride in his shower, let alone the drama and chaos that come with her. Lydia Green doesn't know whether to scream or cry in a corner. Discovering the love of your life is having an affair on your wedding day is bad enough. Finding out it's with his best man is another thing all together. Just when this runaway bride has nowhere left to turn, a handsome stranger offers her a broad, muscular shoulder to cry on. Vaughan is the exact opposite of the picture perfect, respected businessmen she's normally drawn to. This former musician-turned-bartender is rough around the edges and is facing his own crossroads. But Lydia's already tried Mr. Right and discovered he's all wrong--maybe it's time to give Mr. Right Now a chance. After all, what's wrong with getting dirty? Dirty is the first book in the Dive Bar series from bestselling author Kylie Scott.

Customer Reviews

After a tortuous year of waiting, Kylie Scott is back with a vengeance and I love it! I pulled an all-nighter to soak up the Vaughan and Lydia goodness and it was worth it. Dirty hits the ground running as Lydia is viewing the evidence of her fiancé's cheating ways - with his best man- that

was anonymously messaged to her on her wedding day. Ouch, no wonder she does a runner! Desperation has her climbing fences in heels and her dress to seek refuge in the seemingly abandoned home next door, so she is totally unprepared as she hiding in the bathtub for her crying jag to be interrupted by a spray of cold water and one very naked Vaughan who is just returning from his travels with his band and the Stage Dive crew. If you read Deep, you will remember Vaughan from his attempts to help Lizzy and Ben and honestly I think he was one of the best parts of that book for me. If you haven't read it, no worries- you can fall in love with him in Dirty just as easily! Once he recovers from the shock of finding a crying stranger in a wedding dress in his bathroom, he realizes what a beautiful spitfire has dropped into his life as she relays her story and subsequently gives her dirtbag ex-fiance what he deserves when he shows up looking for her. Lydia has never had love and affection in her life, so when Chris came into it a few months ago, he seemed to good to be true but her damaged heart craved the positive attention and never questioned his desire to hold off on intimacy until they were married. Hindsight shows her the error of her thinking, but no one in town shared Chris's less than well kept little secret with the newcomer either.
