Stone Rain (Zack Walker Book 4)

Synopsis

Metropolitan newspaper writer Zack Walker has a knack for stumbling onto deadly stories. But it's one that his good friend Trixie Snelling doesn't want told that's about to unleash a storm of trouble. As a professional dominatrix in the suburbs, Trixie has her share of secrets, but Zack has no idea what she's really hiding when a local newspaperman threatens to do an exposé on her. Not until Zack finds a dead body strapped to the bondage cross in her basement dungeon. Now Zack is implicated in a murder, Trixie is missing, and everything he thought he knew about his friend, his town, even his own marriage, reveals a darker side. Zack's twisted trail to the truth will lead to a long-unsolved triple homicide, bikers, drug wars, and a stone-cold killer hell-bent on revenge. It's a story that's already cost him his job and possibly his wife, and, if Zack's not very lucky, it will cost him his life. From the Paperback edition.

Customer Reviews

This is the fourth novel read through the eyes of the main character Zack Walker. Zack isn't the brightest guy in the world but he is certainly one of the most loyal to his family and friends. So when his ex neighbour Trixie Snelling, wants him to intervene and stop a journalist from writing a story on

her and her bondage business which operates out of her basement, even though he knows doing so is unethical, may get his own journalistic career in jeopardy and most importantly his wife sort of doesn't like him spending time with the beautiful ex neighbour, he does anyway. Of course as always everything goes wrong and not only does he bring a lot of problems for himself and his wife at the Metropolitan newspaper, the story appears anyway. With his marriage falling apart, unemployment beckoning he decides to meet with Trixie once and for all and tell her she can't be a part of his life any longer. Meeting her at her house she is late, the lock doesn't seem to be engaged when she finally gets there and the reporter who caused all the problems is strapped to a bondage cross in the basement with his throat cut. Well his wife is definitely going to find out he was visiting now, especially since Trixie handcuffed him to the stairs and called her to come rescue him as she stole his car and fled. Throw in his son's first job at burger place that doesn't believe in health regulations run by some huge fat woman who don't take kindly to interfeearers like him, a bad guy who picks his nose all the time and his marriage is going to be the least of his problems!
