The Regulars: A Novel

Synopsis

A fierce, feisty, and wonderfully entertaining debut with a magical twist about three ordinary, regular girls who suddenly have their fantasies come true or do they? Best friends Evie, Krista, and Willow are just trying to make it through their mid-twenties in New York. They're regular girls, with average looks and typical quarter-life crises: making it up the corporate ladder, making sense of online dating, and making rent. Until they come across Pretty, a magic tincture that makes them, well...gorgeous. Like, supermodel gorgeous. And it's certainly not their fault if the sudden gift of beauty causes unexpected doors to open for them. But there's a dark side to Pretty, too, and as the gloss fades for these modern-day Cinderellas, there's just one question left: What would you sacrifice to be Pretty? Wildly irreverent, blatantly sexy, and observed with pitch-perfect wit, *The Regulars* is fresh and compulsive reading from a bright new voice. (Brenda Bowen, author of *Enchanted August*) in fiction, perfect for fans of Jennifer Close and Kevin Kwan.

Customer Reviews

There is nothing regular about *The Regulars*! Popular culture at its best. What could be mistaken as

chick lit is so incredibly well written that youâ™re mesmerized by the words and taken on a wonderful journey of self-discovery. Part romance, part chick lit, part fantasy, part self-help! This book has it all for anyone after an engaging, fun, modern day, magical read. Our three protagonists are all completely different but beautiful in their own way, all with their own insecurities and personal stresses. Evie is pixieish and cute, looking for the love of a good woman and dissatisfied as a copywriter. Krista is perpetually late, a fashionista, a failed actress and heavily in debt. While the very distant and sophisticated Willow is considered an artist and displays a confident air, she is quite insecure and hates her body. Life is giving these girls lemons and they are ready for lemonade. Krista meets a beautiful girl, Penelope, who claims to have known her from improv class. After unloading all of her angst onto the gorgeous stranger, Penelope shares a secret. A potion called Pretty, which transforms you into a supermodel. Evie is the most suspicious. When Krista asks, âœEve, donâ™t you get it? This makes you pretty. Seriously ***** hot.â • Evie responds, âœYouâ™re asking me to believe in magic?â • But guess what... The Pretty works. With a single drop, each of these fabulous ladies becomes jaw-droppingly gorgeous for one week, presenting them with unimaginable opportunities to make their biggest fantasies come true. Aaahhhh but the pathway to the privileged and beautiful is not what it seems. I think this is a book every woman should read. Because changing yourself isn't fulfilling for anyone.
