La Biblia App Para Ninos Historias De La Biblia (The Bible App For Kids Storybook Bible Spanish Edition)

Synopsis

La Biblia App para Niños, Historias de la Biblia es una experiencia Bíblica completamente nueva y llena de encantos que ayudara a que sus hijos se enamoren de la Palabra de Dios. Basada en la aplicación bíblica más descargada en el mundo, La Biblia App para Niños, Historias de la Biblia trae la Biblia a la vida para toda la familia, con ilustraciones coloridas y narraciones maravillosas. Te emocionaras al ver a Dios partir el Mar Rojo para Moisés y los Israelitas cuando huyen de sus perseguidores Egipcios. Cuando nace el niño Jesús, podrás alegrarte con los ángeles, cuando llenan el cielo anunciando su nacimiento. Usted se maravillará como Jesús alimenta a cinco mil personas, multiplicando milagrosamente cinco panes y los dos peces que le ofrece un niño pequeño. La Biblia App para Niños, Historias de la Biblia cuenta con 28 historias fundamentales de la Biblia que son fácilmente comprensibles por los niños, pero disfrutados por toda la familia. What a great book! I have English and Spanish versions as I try to teach my girls both languages growing up. These are simple stories that are easy to read and even match the app stories! I've been looking for a really good Bible to read stories to my toddlers and this is it!

This is a very good product, but we receive the two of them one with scratches and a mark (like another book was crash with it) in the hard cover and the second one detached in the middle, so is

a glue and sew product...difficult to fix. So I can not gave it like a gift : (as we think. There is a pity, will not last much. We can not get them back because is too much expensive than the product itself. I think there was no quality control here, and is such a very useful product for teach little kids about God. I now One Hope likes take care of this details as we learn.

Â¡A mi hija de casi 4 aÃ os le encanta tener su propia Biblia! Las historias son suficientemente cortas y las ilustraciones muy llamativas para niÃ os pequeÃ os. ^ Es el regalo perfecto.

Ya me encantaba La Biblia App para NiÃ os. !Y es increíble ahora tener este libro de tan buena calidad!

Realmente una herramienta muy Ãºtil para la escuela bÃ-lica dominical de niÃ os.

My kids are very excited with this new bible for kids. Excellent quality too.

It is a perfect gift and is easy to read and understand .

Â¡Me gusta este libro igual como la applicaciÃ n digital!
