Customer Reviews

During the summer I watched a movie that was based on this play..Incendies (scorched in french) and I looked for the script everryyywhere. It wasn't being distributed at the time I was searching for it..but within a month had it for me. Not even the book publishing company had it. I am so pleased, and it's a beautiful story. A mother dies, and in her will she tells her children to search for their father and half-brother that they didn't know existed. They travel through her past searching for answers..and it has an amazing twist at the end. It's a play, so it's a quick read! It really is perfect.
