Red & The Revenge Of The Pack: An Erotic Fairy Tale (Shifter Fantasy/horror Mmmf Erotica)

Synopsis

Two years after her rescue, Red finds herself back in the woods for the first time since. This time, she's looking to confront her cheating husband, the huntsman who saved her years before. But she's not the only one back in the woods. Red soon finds herself caught outside the huntsman's cabin by three shifter clan-brothers of her original attacker out for revenge- "œflesh for flesh." • But just as the three hunky, well-endowed shifters close in, Red's suspicions of her husband's dalliances are confirmed, and now it's Red that wants revenge! Submitting and opening herself in every possible way to the three hung and ready shifter men, Red's hubby is made to watch as she takes on the whole pack! Revenge comes hard, rough, and stuffed full in this naughty re-imaging of the classic fairy tale.

Customer Reviews

I read this via KU. I was really impressed with this story. We always wonder what happens AFTER the fairy tale. This story was well written.
