The Presence (Power And Politics Book #1): A Novel

Synopsis

A Small-Town Lawyer. Big-City Corruption. Can One Person Truly Make a Difference? T. J. Case, a North Carolina lawyer and politician, takes a stand of integrity that costs him his election. As he considers his future, a morning of quiet reflection is transformed into a remarkable summons that propels him into the middle of Washington politics. And accompanying this commission is an extraordinary sense of divine direction to help reshape twisted lives and challenge corrupt systems. The cause that T. J. Case represents meets with resistance at the highest levels. In a dramatic clash against a shadowy network of organized evil, The Presence emerges as the prevailing power. But obedience demands sacrifice....

Customer Reviews

And this is a GREAT book! My copy is probably more marked up, underlined, and dog-eared than my Bible I've had since second grade! I've recommended this novel to all my friends and family who will listen; several finally gave in and enjoyed it. NOTE: It will be easier to read for those of faith, who believe God can and does talk to us in modern times. But the story is a good one for everyone - a story of morals, standing for what you believe in, and not giving up . . . despite all the World may

throw at us. T.J. Case sacrificed his political career when he crossed the party line and backed a Republican friend for his U.S. Congress race. When he felt he had lost everything, God gave him a vision to go to Washington. He went thinking he was to work with the administration in the Education arena. What actually happened was the explosion of support for a daily Bible Study in the White House - which ultimately leads to a major change for many, many of the nation's leaders. These few words cannot begin to explain the amazing story found in this book. Every time I read this book, I have to pause now and then to get the tears outta my eyes (I hate crying, but this is worth it). Racial barriers are broken down, and love for your fellow man begins to grow. Caring for the poor and homeless is another heart-warming side story. I'm no longer interested in politics, although I am a Gov't Attorney. And books like this give me some hope that I can make a difference, and that there are people out there who care about issues as much as I do. Hope you enjoy it!!

The Presence is probably the best piece of contemporary Christian literature I have ever read. It is theologically sound and politically current. It's also rare to see a writer with a fundamentalist point of view include African Americans as the leading characters. As the author's first piece of work, it remains his best. Fundamentally it is the story of two men who go from North Carolina to Washington, D.C. - one in the will of God and one aspiring young politician. What makes this book extraordinary is the careful and interesting characters. The hero is filled with doubts and needs the help of his wife and newly formed "best friend" to accomplish God's purposes. It presents the picture of a three-dimensional man who is supported and helped to become a great man. This book is a MUST for any reader of Christian literature.

What can happen when the Holy Spirit totally takes over the life of just one Washington politician? T. Davis Bunn gives us a glimpse of the awesome ability of God to storm the toughest strongholds when The Presence invades the nation's capitol. Highly recommended!

I have read most of T. Davis Bunn's books, as well as many, many other Christian books. This is my hands-down favorite! It speaks to today, it speaks to my heart and it jives with my spirit. I read it right after it was published and have read it probably 5-6 times since...it never fails to lift me, humble me, and make me cry! If you like Christian fiction, this is a MUST-READ (over and over again).

I loved this book. It was Davis Bunn's first book, in a new edition. What happens when God's presence is within a believer in Washington DC? Awesome story about what one man can do when

he is following God's will!

Such a story, examples of the body of Christ at work in Our world. T.Davis BUNN is my favorite author. He always show us CHRIST in his writings. Thank you Mr BUNN I now know an author I can trust to deliver an exciting story that is always CHRIST centered and exciting.

This book is about a believer in Christ entering the political realm at a high level. He is not afraid to speak and take action on his beliefs. That leads to some remarkable events and brings the story to a surprise ending.

I have read many of T. Davis Bunn's books and this is his strongest faith based work. You are with him in the story, to the very end, if you know Christ as your Savior. If not, it will certainly cause you to consider seeking a relationship with Him.
