Ever Dead (A Dark Faerie Tale Book 6)

Synopsis

When detective Hank Snowdon started noticing strange piles of ash throughout Portland, he took it upon himself to investigate further with his unusual but dedicated partner, Luci. Traveling through the decaying factory district where most of the bizarre ash occurrences materialized, he found there was more to the sudden manifestations than met the eye. Testing this peculiar ash, he discovered that they were in fact...human! Sort of... Confronted by a warrior named Benton, who has the ability to disintegrate other beings with his flaming sword, Hank's world continues to spiral away from reality. Especially when he inadvertently discovers a whole new world, unknown to most of humankind...along with the surprising realization that he is inescapably tied to this new and magical land. Discover a new take on Alexia Purdy's Dark Faerie Tales series...one from the point of view of the "normal" human world! This story can be enjoyed as a stand alone but should be read after History of Fire (A Dark Faerie Tale #5) to avoid spoilers. This is considered book #6 Books in this series: Prequel: Evangeline ~ currently FREE Book 0.1: The Withering Palace ~ FREE Book 1: Ever Shade ~ FREE Book 2: Ever Fire Book 3: Ever Winter Book 3.5: The Cursed Book 4: Ever Wrath Book 5: History of Fire Book 5.5: Without Armor Book 6: Ever Dead Book 7: Legends of Fire Coming soon: Guardians of Fire

Customer Reviews

I don't even know where to begin lol. I'm not sure if me just saying I loved this book would be good enough for you to go pick it up. That is the truth however! I LOVE this book!! could not put it down. The surprises that came up in here... Wow! Never saw that coming! I found myself telling my kids about parts of the book. They have to wait for me to tad them then they can have at um. LolAlexia describes the world's in her books so well that ours like you was there sweating from the fire all around. I do no give spoilers. Sorry. ;) but I do let you know that it is a great series that I have loved from the very first book! I will tell you that I own every last book she wrote because they are that good. I will also say that my teen children love them also. I will also tell you that they are worth every cent!!Now.... I begin the stalking of for the next book to come out. ;) ya... that good. :)I guarantee if you need a great book to read... this is the one to grad grab!!!

Hank; a human homicide detective with a K9 partner. He learns the hard way that he is only half human when his meeting with Benton leads him to Fearie as well as Dulci. Strange truths about his grandfather, parents and twin brother start to come to light. Hank beings to train with Benton to learn his magic. A coming war with a powerful dark wizard puts Hank and the others to the test. Will they survive? Must read to find out.

Loved Hank and Luci, then Howie. Wanted to read more about Hank and Luci befor I even found out where they fit into the story line.The fact that Howie and Delcie came into the story made it much more exciting. Ties in really nice with her fareie series. I am so looking forward to the next book.

As with the previous books in the series, this has you wanting more. I like Hank was surprised that he was actually able to "hold" his brother Howie. Oh and Luci the dog, smh. She really got into the big fight.

Ever Dead was a very interesting novel with a cool concept that I enjoyed very much. This book is part of 2 different series, the 6th book in Alexia Purdy's "A Dark Faerie Tale Series" and the first book in J.T. Lewis's series (TBD).The story was interesting and even if this book is part of a series,

it can be read as a stand alone. I enjoyed getting to know the different characters and seeing how they fit in with each other. There was a lot of different types of characters, which made it interesting to see how they reacted to each other as well. The story was really interesting as well. It was cool to see how this new story incorporated itself with "A Dark Faerie Tale" series and the new twists and turns that brings to the series. I enjoyed learning about the different creatures in this series slowly throughout the book. The book was really well written. Alexia Purdy and J.T. Lewis did an awesome job at combining their writing skills and great story ideas together to form this wonderful novel. I will definitely be checking out both series. I have to give this book 5 out of 5 stars!

Author Alexia Purdy collaborated with fellow author, J.T. Lewis, to bring a new facet into the Dark Faerie series. Hank Snowden will have his own spin off series and I will be waiting for each and every book involving him as I do now for any of the Dark Faerie books. Hank is a well thought out character that has many layers just waiting to be explored. I loved how he evolved through the story. All the magic and danger of Faerie is there. It was exciting and intense at times but a perfect touch of light-hearted fun mixed in. Luci steals the show for me. I loved everything about her and love her even more once she crossed into Faerie for the first time. I am looking forward to her adventures and getting more of Luci and Snowden's unique partnership. Even if you haven't read any of the other books in the Dark Faerie series, I believe this book could be read by itself. But, the entire Dark Faerie Tale series is amazing and they should all be read!

I received an ARC of this book. I am a great fan of paranormal and Alexia Purdy is one of the few authors that captures my attention with their stories. In Ever Dead we meet Detective Hank as well as some known individuals such as Benton, Nautilus, and Soap. I have always had a big crush on Soap since he first appeared on paper in Ever Shade. Don't judge me. And Nautilus is another story but is parallel to my crush on Soap. Lol. Hank is investigating mysterious piles of ashes that he will soon find out are part of the another world; the Fae World. There are secrets and mysteries that help keep you guessing what happens next and a history that will reveal the entirety of who Hank is. This story is good. There is action, laughs, and mystery in this book. If you're looking for a quick read this is it. Good job!

One of my favorite series! I've loved this series from the beginning, and Benton has quickly become one of my favorite characters. This takes us to meet Detective Hank, who discovers ashes, which he soon discovers are *not quite human* and decides to investigate. Of course, he couldn't just

leave well enough alone. We meet a few of our other favorite characters along the way, and there's always a bit of mischief and mayhem when there are fae involved. The writing, as always, is well done. The dialogue is great, as are the characters. The scenes and backgrounds are well laid out and well planned out, so no guessing what's going on or trying to figure out who is who or where they're at. Awesome book. Awesome series.
