Rushing Waters: A Novel

Synopsis

NEW YORK TIMES BESTSELLER • Danielle Steel fearlessly tackles a catastrophe and its aftermath with characters who are joined together by accident, then share their vulnerabilities, regrets, losses, and hopes. • Hurricane Ophelia is bearing down on New York City. And in a matter of hours, six people, along with their families, friends, and millions of other New Yorkers living around them, will be caught up in the horrific flooding it unleashes. • Ellen Wharton has flown into New York from London, regardless of the weather and her husband's worry. The successful interior designer is intent on seeing her lively architect mother and has an important personal appointment to keep. But despite Ellen's urging, when the storm hits, seventy-four-year-old Grace Madison refuses to leave her Tribeca apartment in the midst of the evacuation zone, and they must eventually wade through chest-high water to the police boats outside. • British investment banker Charles Williams is traveling on business but is also eager to see his young daughters, who live with his beautiful, estranged ex-wife in SoHo. Desperate to find them, he checks the shelters where thousands have taken refuge and runs into Ellen and her mother. • Juliette Dubois, a dedicated ER doctor, fights to save lives when the generators at her hospital fail. • NYU students Peter Holbrook and Ben Weiss, living in a shabby downtown walkup, are excited by the adventure of the approaching hurricane, refuse to evacuate, and settle in with junk food and beer until their building threatens to collapse. Should they swim for it or not? • A day of chaos takes its toll. Lives, belongings, and loved ones are swept away. Heroes are revealed as the city and New Yorkers struggle to face a natural disaster of epic proportions. And then the real challenge begins, as the survivors face their futures, with damage to repair and scars to heal. • Keenly observed and brilliantly told, this is an unforgettable story that proves that while life can change in an instant, even the darkest storm can bring forth courage, resilience, unexpected joy, and new life. And it reminds us all that nature, at its fiercest, is a powerful force nothing and no one can resist. From the Hardcover edition.

Customer Reviews

--NOTE:Each of us likely see ourselves as brave and heroic, but we also may wonder if we're capable of rising to the challenge posed by disaster. For a few of us, this novel may lead us to take advantage of advice provided to us in advance for the next Sandy, Katrina, or whatever natural disaster pops up.
Quick & Dirty Highlights
Although this book is billed as romance and as women's fiction, it has much broader appeal than that would indicate. These days, I suspect, more and more men are interested in deeper topics than rampant rapists and murderers or apocalypse. Indeed, this story is a human interest story. Writers of dystopian, apocalyptic fiction could improve their storytelling by reading a tale such as this brought to us by Danielle Steel.
To learn a bit more, read on...
Length: Print, 336; Audible, 7 hours 59 minutes. In my opinion, this is one of those books that's better heard than read.
Target Audience/Genre: Literary Fiction.
Q - How was this book obtained?
A - Bought on . I added the Audible Whispersync at the time of purchase, saving a bundle.
Q - Is this a book that I can read without having to read others first?
A - " This is a stand alone novel.
Q - Are there a lot of typos/misspellings, grammatical errors or other editing failures?
A - " No.
Q - Is this a fast, easy read or is it more of a leisure read?
A - " this can be read in two or three sittings. It's too absorbing for commutes, in my opinion.
Q - What sort of language does this writer use to amplify the points made?
A - " Adult English, including two f-bombs.
Q - What age group is this suitable for?
A - I think this would be rated PG-13.
