Dying In Paradise (Ben Hood Thrillers Book 11)

Synopsis

Ben Hood is reunited with the stunning Samantha Cruz, her sensual and provocative younger sister Irene, and their grandmother, Ivy Cruz as he visits Surfers Paradise in Queensland, Australia, to investigate fraudulent activity involving the Cruz family fortune. Deception, lies, death, witchcraft and the spirit world collide around Ben as he sets out (with some unexpected and lethal help) to bring the offenders to the kind of justice that only Ben Hood knows and understands.

Customer Reviews

Another good one from Lindsay.Rod sends Ben to Paradise.Ben is once again reunited with Samantha, Irene and Ivy Cruz.Seems there is some funny business with their fortune and the folks who are investing and watching it for the family.Of course there are always a few idiots who think Ben, because of his age, is an easy mark. These guys end up in the hospital or the morgue.Ivy's health is failing and her family is very concerned. The money doesn't mean much to Ivy but she wants to make sure her girls will be cared for. Ivy is very glad that Ben is on the scene.We also get a police detective who is more than ready to help Ben and Ben more than helps her with an abusive ex.So begins one hell of a good read.WE have murder, attempted murder, theft, Dingo's and oh yeah, witchcraft.Just one good read with a great ending and Ben Hood is more than up to the

challenge. Five stars and then some.

Unlike some Ben Hood thrillers, this one is a real mystery and at over 300 hundred pages, the longer length allows the reader to revisit our old friends, the Cruz girls, without feeling cramped for space. I loved the interplay between the now familiar characters but I admit getting frustrated with Ben's inability to commit. As for the plot, the twists and turns to the investigation keep the reader at seat's edge, and in the end we are have an excellent conclusion with some new characters for Ben to bounce off of in his next tale. I, for one, can't wait.

I loved the way that the author comes up with new twists in the plots of Ben Hood's adventures. This one was different from the others because some supernatural facets were brought into the book. The good in some of those that associate with evil people was shown in a realistic way. All of the characters are believable, even the minor ones. I could not put this one down. Thanks for another great book Mr. Lindsay!

This book in the Ben Hood series is like all the others. This book isn't anything like the others. It sounds crazy I know, but both statements are true. There is plenty of action, girls chase after Ben, and his boss tries to tone down the action. But Ben mostly does take it easy and things are accomplished by others. Ben befriends some dingoes, and digs some graves. All in all this is a most satisfying book, along with all the others in this series. Get them now, you won't be sorry.

Poor old Mrs. Cruz finally met her maker. She was a fine old upstanding lady who really looked upon Ben Hood as her Son and hero in whom she placed the utmost trust. Her family always seemed to stick together through thick and thin and money didn't change their personalities.

Another excellent read in the Ben Hood series, (have read them all so far), kept my interest the whole way through, once again. Am waiting for the next release from Drew of another one of his enthralling stories. Makes it all the better knowing the areas in Australia he uses as his locations. Well done! VA, North Rocks NSW

Interesting story twists, and a delve into witch craft. This is a new line that leads to more varied plots. Ben still resists the -to young- girls, but has left the possibilities open with the parting of ways of current lady friend.

Drew writes amazing stories full of suspense which makes it difficult to put the book down. Highly recommended entertaining reading.
