# One Hot Cowboy Wedding (Spikes & Spurs Book 4)

## Synopsis

Book 4 in the Spikes & Spurs Series Cowboy weddings that happen in Vegas never stay in Vegas...Hunky cowboy Ace Riley wasn't planning on settling down, but his family had other plans for him. The only way to save his hide, and his playboy lifestyle, is to discreetly marry his best friend, Jasmine King. Fiesty city-girl Jasmine was just helping out her friend-that is, until their first kiss stirs up a whole mess of trouble, and suddenly discretion is thrown to the wind. One hot cowboy, one riled up woman... And they'll be married for a year, like it or not! Spikes & Spurs Series Love Drunk Cowboy (Book 1) Red's Hot Cowboy (Book 2) Darn Good Cowboy Christmas (Book 3) One Hot Cowboy Wedding (Book 4) Mistletoe Cowboy (Book 5) Just a Cowboy and His Baby (Book 6) Cowboy Seeks Bride (Book 7) Praise for Carolyn Brown's Spikes & Spurs series: "An old-fashioned love story told well...A delight."-RT Book Reviews, 4 stars "Tender and passionate love scenes...endearing and quirky characters...an absolutely adorable story."-The Romance Studio "Plenty of twists, turns, and how cowboys, and a story line that's got to be continued."-Long and Short Reviews

## Customer Reviews

Spikes & Spurs Series:Book 4:One Hot Cowboy Wedding: Ace Riley and Jasmine KingReview:This book can be summed up nicely in that this is a great, fun and light read. This is a feel good novel with sexy cowboys and sassy southern women. Ace is the quintessential feel good cowboy who has dated half the female population of Texas, but has done it in such a way that only a charmer such as Ace can pull off. You can't not like Ace, he puts all out there along with his barbed wire tattoo to remind him that no women can get past his tattoo and into his heart. He's nothing if not honest, and you got to respect a guy who lets you know where he stands going into it. But what you probably never saw coming was that Ace is a total romantic, the dates he plans for Jazzy make you do an AW moment! Little by little the barbed wire on his heart starts to crumble and he never thought he would fall for his best friend.After the debacle that was Jasmine's previous engagement she has sworn off all men, so proposing to Ace, seemed like the perfect option. She could help him save his ranch and since she isn't going to date no harm, no foul, but when the wedding is nationally publicized all of Texas now knows that she is married and to Ace. Her nice peaceful year has been blown apart. Jasmine is a feisty, high spirited woman you can't help but respect. She loves her friends, she loves her parents, she loves owning her restaurant and she loves Ace?!?

Understandably, Jasmine is a bit gun shy when comes to men especially a good timing cowboy like Ace. Jasmine has plenty of sizzle and spice to keep up with Ace.If you want to good time novel with sexy cowboys pick this book up. Actually pick this whole series up, it's a good timing series with lots of spunk and lots of cowboys.Rating: 4 Orchids

This was another fun book from Carolyn Brown. Yes, the friends to lovers - marriage of convenience has been done before. But Carolyn Brown brings an extra zip to any plot she uses. I admit I am a fan of Carolyn Brown's. I have read most of her Avalon romances, and a number of her Western romances, and am a big fan of both. If you want a book with some laughs, characters you'll remember and a slice of country life thrown in, you can't do better than a Carolyn Brown Western romance. Who knew at first glance that a player like Ace is really a romantic at heart. Jasmine acted tough because she'd wasted too much time on a worthless no-good man and she didn't plan on falling in love again, but she needed a romantic man to break through her defenses. They were a good match because they were friends before they went to Vegas for a marriage that was only supposed to last a year and save Ace's ranch. A few reviewers mentioned some negatives from the book, but those things didn't bother me at all. I guess I was having too much fun reading the book. If you are a Carolyn Brown fan, get this book. If you aren't a Carolyn Brown fan but want a book with

sexy cowboys, strong women and a happy ever after you can believe in, get this book.

Enjoyed reading about Jazzy and Ace. They were friends and when Ace needed a wife to keep his ranch she asked him to marry her, but were going to keep it a secret to their friends. But things happened and lots of things changed that. So they had to live together and discover how they really cared for each other.

Carolyn Brown has yet another super book that will keep you lighthearted and in love from the start. She just has a way with hot cowboys and strong-willed cowgirls. The Spikes & Spurs series is one you really don't want to miss. Any bachelor cowboy can meet the right lady!!!

One Hot Cowboy Wedding (Spikes & Spurs #4) by Carolyn Brown Ace doesn't read his grandfather's will and gets a surprise. Jazzy, his best friend, agrees to marry him for a year so he can keep his ranch. This story is full of hijinks as Jazzy and Ace realize that they love each other. I read another book in this series and was dying to know about Red's friends. Picking up One Hot Cowboy Wedding, didn't disappoint. I love the families and their antics. Many of the characters from Red's book show up in this one so it was fun to see where everyone was and get updates. My only frustration with the characters is that it took them so long to share their feelings. Each of them were so worried that they'd be hurt or dismissed that they didn't open up until the very end. Ace is a sweet-talking romantic cowboy and perfect for those who love the romance. His ways of winning Jazzy's heart were the best parts of the book. Now I'm picking up the rest of the series and see what happens with my favorite characters.

I love the natural, real language that makes me see the people and places like it was real, it is like a visit to a place I would like to see and experience and finally Ace Riley womanizer extraordinaire finds his pal Jasmine King more than his best friend. I like the other characters like Lucy who appeared in previous stories as well as other friends who help build this story. I love this author's work.

I really enjoy Carolyn Brown's books, especially her Spikes and Spurs series, so of course I purchased this when it was released. I didn't enjoy Ace and Jasmine's story as much as I have (Austin & Rye and Wil & Pearl) but then again the whole 'getting married first, falling in love later' storylines don't really tend to do it for me. One Hot Cowboy wedding contains all the characters

you've come to love in early books and introduces you to even more! It's still full of the sassy, fun humor that you can always count on from Carolyn Brown, something I can't really explain just fell a little short for me in this book compared with her others, but still worth the read if you're a fan of her work.
