Playing For Keeps (Honky Tonk Angels Book 5)

Synopsis

"Better than any night time drama!" "When I open one of this author's novels I know I will be in real deep with some hot serious lovin with many a twist when least expected. This one is no exception with it being another in this series that I have come to adore causing me to race to read the next one as they become available." ~ Denise Van Plew for Candid Book ReviewsThings have gotten downright smoldering in Cotton Creek. Â The oil boom has the town bursting at the seams, and has Cody and Hannah run ragged with the bar being packed every night. Â Leave it to their mama to come up with a solution. Stella talks to her sister, who, in turn, manipulates her son, Cade to go to Cotton Creek and helphis cousins out. A After all, he has nothing really on his plate. A He just sold a casino in Atlanta City and has no idea what he wants to do next. Â Cade isn't keen on the idea, but his mother traps him with the old "family helps family" thing so to Cotton Creek he goes. A What were the odds that a month after he arrives, Roxie Ellis' 1957 T-bird would break down just outside of Cotton Creek and she'd be needing a job to make enough to affect repairs? Gambler's luck? À Maybe. À Whatever the case, sparks fly at first glance and before you can call red on a roulette wheel, Cade and Roxie are neck deep in what is surely the most erotic bet of their lives. The problem is, the bet becomes a whole lot more serious than either of them plan and soon Cade is Playing for Keeps.

Received this copy for an honest review: Cade Beckett's mom called and said his cousins, Cody & Hannah needed help managing the Honky Tonk Bar. Two weeks later there he was in Cotton Creek, Texas accepting the manager's position. Meanwhile, in Las Vegas Dini Merrill caught her boyfriend cheating and with her friend Roxie Ellis decided to leave Las Vegas. As fate would have it Roxie's car broke down, you guess it in Cotton Creek. They decide to go to the Blue Belle Diner for lunch and there they both find jobs. Dini as a waitress at the Blue Belle and Roxie a waitress and bartender at the Honky Tonk Bar. Well, when Cade first sets eye on Roxie at the diner he knew he would claim her as his. The attraction between them was there for all to see. Roxie was to go to work at five wearing a Honky Tonk t-shirt, so when she entered the bar Cade's attraction level went to burn. She asked where he wanted her to be; oh that was a loaded question. Well, hold on there, we have other characters to see about. Like Jaxon Riggs and Cody Sweet. When he entered the bar, Cody said she knew he was the one. Cody ends up helping to save Riggs when an oil rig collapsed. Then there are Jayce, Wes and Cooper who formed an oil company. Well, the boys fathers were arch enemies, but the fathers got together to squash the sons' company. Lucas Quinlan, Cooper's father, had an old fiancé to cause trouble between Hannah Sweet and Cooper, wondering what became of this new relationship time will tell. Well, back to Roxie and Cade, the temptation is too great for both of them and they get it on and oh my. Finally, Roxie tells Cade her secret, but is it too much for Cade to accept. Time will tell. Then when the rig collapsed, fathers and sons realize that life is too short to work against each other, so they join forces. The final thing is who is going to get there happily ever after. Is it going to be Jaxon & Cody, Cade & Roxie or Cooper & Hannah?

Things have gotten downright smoldering in Cotton Creek. The oil boom has the town bursting at the seams, and has Cody and Hannah run ragged with the bar being packed every night. Leave it to their mama to come up with a solution. Stella talks to her sister, who, in turn, manipulates her son, Cade (Cody and Hannah's cousin) to go to Cotton Creek and help them out. After all, he has nothing really on his plate. He just sold a casino in Atlanta City and has no idea what he wants to do next. Cade isn't keen on the idea, but his mother traps him with the old "family helps family" thing so to Cotton Creek he goes. What were the odds that a month after he arrives, Roxie Ellis' 1957 T-bird

would break down just outside of Cotton Creek and she'd be needing a job to make enough to affect repairs? Gambler's luck? Maybe. Whatever the case, sparks fly at first glance and before you can call red on a roulette wheel, Cade and Roxie are neck deep in what is surely the most erotic bet of their lives. The problem is, the bet becomes a whole lot more serious than either of them plan and soon Cade is Playing for Keeps. Smoldering is absolutely right with book 5 of the Honky Tonk Angels series. I absolutely loved this book! I think it is the best so far!! Cade & Roxie are breathtaking and made for each other. It just takes Roxie a little longer to figure it out. Hannah & Cooper, Dini & Jasper and Cody & Riggs and the rest of Cotton Creek.... So many great characters. I loved the interaction of the small town folks. So many emotions and feelings. Ciana is one of my favorites! She sucks you right in the story. Highly recommended! You will not be disappointed. Thank you so much!

Honky Tonk Angels is a place where you can fall in love for keeps while everyone has your best interests at heart. Cotton Creek is an ideal place to call home. This entire series is really great. Cade and Roxie are the newest "couple" in town and be prepared to fall in love with them. Lots happens here and there is a twist at every corner. Don't miss this one!!!!!

This exceptional book is the fifth book in The Honky Tonk Angel series and each book gets better and hotter than the last!!! Ciana Stone writes stories that captures your attention and heart from the first page and will remain with you long after you've finished. Cody and Hannah Sweet are slammed with business at The Honky Tonk Angels Bar and Grill since the oil boom in Cotton Creek Texas, along with running a ranch and helping at the sweet shop. Cade Beckett just sold his casino and hotel in Atlantic City and feels he is missing something in his life. All that ends when his mom calls about family in Cotton Creek needing him to help run their bar, and if you can't count on family who can you count on. Roxie and Dini are like sisters and when Dini finds her boyfriend cheating on her they load up and out to Mexico, but the car breaks down near Cotton Creek. When Cade and Roxie meet I'm surprised the diner didn't catch fire from the sparks flying. Roxie breaths excitement and life into Cade and what Cafe wants he gets. Roxie's secrets hold her back from happiness but Cade is her boss and you don't mix business with pleasure, unless you accept a bet. Catch up on the other people in Cotton Creek and meet some new ones in this continuation of Honky Tonk Angels. You will laugh, cry and want to shake a couple of Red Hat gossips. Enjoy the banter of small town life and protective nature of the ones you love. I can't wait for the next book to see if Cody had really found her "Mr. Mine"!!! received this book in exchange for my honest reviewThank you Ciana Stone
