Wilderness Trail Of Love (American Wilderness Series Romance Book 1)

Synopsis

Two lives. One great love. Tested by a frightening wilderness. Weaving a tapestry of history, romance, and adventure, Dorothy Wiley's epic novel sweeps us into an awe-inspiring, heart-stopping story of love and survival in an emerging America. It is spring 1797. Dreaming of building a better life, Stephen and Jane Wyllie set out across the American frontier in search of a place to call home in a land of savage beauty. With undaunted courage and boundless daring, Stephen, along with his five brothers, bravely plunge toward a wilderness full of terror. But this formidable thousand-mile journey threatens everything Stephen and Jane care about. His courage is undaunted, her passion is deep, but the wilderness is full of terror. Stephen is a hero who won't back down, but will his dream cost him what he values most--Jane's love? This riveting tale by Readers' Favorite Gold Medal winning historical romance author Dorothy Wiley brings readers along on a heroic and breathtaking quest for land across a thousand perilous miles to the Kentucky wilderness--a new world for the brave. Stephen wants only one thing more than land--to keep his wife Jane and their young daughters safe. But he needs land to make a better future for his family, and the frontier lies open to settlement in the new state of Kentucky. The decision to go is not an easy one, and Stephen carefully weighs the risks before undertaking what he knows will be a dangerous journey. A robust blend of adventure and action, heartache and humor, with romance and passion, *WILDERNESS TRAIL OF LOVE* is the first book in author Dorothy Wiley's award-winning American Wilderness Series Romances. Like her other five novels in the series, set in what was then America's West, this inspiring tale captivates readers by balancing the hardships of the frontier with amusing, romantic, and vivid characters that come to life on every page. Wiley's American Wilderness Series Romances--epic love stories of the frontier--will captivate readers of westerns, historicals, and romance. Spell-bound by horrific events and heinous villains, readers of westerns fear for her valiant characters, the brave first-wave settlers of the untamed West. And charmed by the beauty of Wiley's love stories, romance lovers cheer for her endearing heroes and heroines. But all readers appreciate Wiley's ability to take them on a thrilling journey. With her singular voice, passionate narrative, and thrilling plots, Wiley has written an enthralling, romantic, and timeless western series.

Customer Reviews

Wow! What a great read! I got this book on kindle unlimited, and couldn't put it down. I just finished the second book, it was equally as good. Following a family going a thousand miles in a covered wagon. Their courage and love of family keeps them going. They survive many hardships, and adventures along the way. I was drawn into this book and actually felt as though I was riding in the wagon with them. A beautiful story. I can hardly wait to read the next book! If you want a great adventure, read this book.

Romance is not my genre of choice. In fact, this is the first one I've ever read (and that only at my wife's insistence) and I didn't expect to get through it. Fact is, Wiley has written such a good story that it held my interest in spite of the romance stuff. Finished it in two sittings!

Set in 1797, this romantic adventure takes the reader on a thrilling journey into the brave new world of the early American pioneers. Stephen Wylie has a thirst for land, and his search for his dream lifestyle means uprooting his wife and children from their home in New Hampshire, to travel into the wilderness of Kentucky. Their journey is fraught with danger and Stephen and his lovely wife, Jane, must face untold difficulties and heartbreak as they trek along the pioneer trail. However, it is their overriding passion for each other which holds the family together and which forms the basis of the story. The book is professionally finished to a very high standard, and the light and easy

style of writing compliments an engaging storyline. There is good attention to detail and the historical setting appears appropriate for time and place. I knew very little about the early American pioneers, but the author writes with authority about a period of history with which she is familiar, and this certainly helps to make the story an enjoyable and worthwhile read. The introduction of other major characters lends itself very nicely to a continuation of the story in further books, which I am sure will expand and develop the story of the Wylie family as they settle into the unfamiliar territory of a new lifestyle. The romantic and sensual cover art depicts accurately that this story is primarily a romantic read; however, there are enough thrills and spills in the narrative to satisfy those readers who also like historical adventure. I have no hesitation in recommending *Wilderness Trail of Love* as an enjoyable and exciting romantic adventure. Reviewed for the Historical Novel Society Indie Reviews

I have read two books so far in Dorothy Wiley's *Wilderness* series and they are both excellent. I love the blend of history, romance, adventure, and Christian values. The characters are well developed as is the plot. Most enjoyable reading! I plan to read the rest of this series, and soon!

I found it hard to put the book down; it was riveting! Ms. Wiley made the characters real most to love and respect and some to hate and cheer when they met their demise. I'm from New Hampshire so I enjoyed her description of what it was like living there so very many years ago. I'm hoping for a sequel as I want to know what happens to all to the characters after they finally find their home.

So many Historical Romances gloss over the trials and pitfalls people would have faced. However, Dorothy Wilder does an amazing job of including the real struggles of traveling in the 1700's, real historical figures, and a strong Christian Faith with her beautiful romance!

This book is a quick read. This novel is a American frontier romance that chronicles the driving desire behind why settlers journeyed westwardâ ownership of land. Wiley does a superb job with this set of characters. Each in their way is a strong character capturing the pioneer spirit. Together they make this tale very believable as a possibility of what would have transpired as families faced the hazards (threats from weather, illness, wild animals, Indians, and other unsavory characters) of this thousand mile journey.

Stephen and Jane's story. In the late 1700's Stephen has a dream to go west to Kentucky for better

land and adventure. Jane loves her little home with their four beautiful daughters. She is fearful to leave the comfort of her surroundings, even after a horrible thing happens to her and her family. Danger could be anywhere, places you know or new frontiers. Do they have the courage, trust and love to survive anywhere they live? The tension in this story is so real and on every page. The surprises, heartache and the strong emotions of fear and love are so real they have you holding your seat and grabbing for a tissue. This is the first time I have read this author's writings and it will not be my last. I highly recommend this book to all readers who like adventure, action and romance with lots of tension throughout. Looking forward to reading the next book in this series. (New Frontier Love)
