Fixed And Removable Dentures E Chart: Full Illustrated

FIXED AND REMOVABLE DENTURES

Illustrations are intended to provide a general overview of the anatomy of the oral cavity and the relationship between the teeth and the jaws. They are not intended to be used as a substitute for a clinical examination or as a guide to the treatment of any individual patient. The illustrations are not intended to be used as a guide to the treatment of any individual patient.

STEPS TO PRODUCE A REMOVABLE DENTURE (COMPLETE PROSTHESIS)

- 1. Preparation of primary impressions**
The first impression of the teeth is obtained, which will be used to make the final denture.
- 2. Infection hygiene**
The final impressions are checked.
- 3. Final up set**
The patient is asked whether the fit is suitable and the patient is satisfied with the final impression.
- 4. Finalization**
The final denture is finished and is ready to be used.

Customer Reviews

I wanted to use this pamphlet with my students, however, there are many misspelled words. I would not recommend it.
