# Breaking Free (Masters Of The Shadowlands Series Book 3)

## Synopsis

"Breaking Free took me on an emotional roller-coaster, and I loved it!" ~Just Erotic Romance Reviews  
A sadistic husband left Beth scarred, inside and out. Only at the Shadowlands BDSM club does she feel like a woman. But her fears limit her to Doms who won't overwhelm her--the very ones who cannot arouse her. The Master of the Shadowlands gives her an ultimatum: accept the Dom he assigns or lose her membership. The last thing Beth wants is a ruthless, powerful Dom, but that's just what she gets. Asked to take on a problem sub, Nolan sees the issue immediately--although truly submissive, the little redhead is too scared to relinquish control and her Doms have let her get away with it. That will change right now. As Master Nolan takes Beth under command, compelling her submission, she's terrified, but the experienced Dom brings her pleasure, not pain. His only demand is that she never lie to him. Under his capable hands, her body comes alive, and she begins to heal. As he pushes her limits, she learns to trust...and then to love. And she realizes he is beginning to care for her in return. But now her cruel husband has found her, and Master Nolan discovers she's been lying and lying and lying. Â [[Reprint]]

## Customer Reviews

Elizabeth was on the run. She had been badly abused by her last Dom. So badly abused that she move across the country to escape him. She opened up a landscaping business which was doing well. One of her contracts was with Shadowlands, an exclusive BDSM club. One of her perks was membership in the club which Elizabeth was grateful to have as the dues are high and Shadowlands gave her a safe place to try to enjoy her sexual preferences. Nolan King is a contractor and a member if Shadowlands. He's a well respected Dom and generally well liked. Currently, he doesn't have a sub, nor is he looking for a permanent one. He's enjoying just picking one up for an evening of fun. When Master Z, owner of Shadowlands, comes to him asking a favor concerning a sub, he's a bit leery but agrees to take a look. The sub, Elizabeth, is not having a good time. She has long lists of things she won't allow and doesn't seem to be able to relax. This is frustrating the Doms that she is with giving Master Z a problem. Master Z thinks Nolan can help Elizabeth. Nolan agrees and Elizabeth is given no choice but to accept Nolan as her Dom or leave Shadowlands. As they work on meeting each others needs and forming a relationship, they get to know each other. Nolan finds he'd like to see more of Elizabeth outside of Shadowlands. Elizabeth begins to trust Nolan but with his issues of trust can she trust him with one last secret which may destroy what they have. When she does, his reactions puts her life in his hands. I found this book interesting from several different aspects. This is part of a series of books based around the Shadowlands. You do not need to read any of the previous books to enjoy this one.

This was the first book I read in this series, and I'm glad I started with it. I was spectacularly unimpressed with the first one, and just happy with the second. Yes, the subject matter is...interesting...but Cherise Sinclair's writing is engrossing, if a little formulaic (no matter what you do, pace yourself with her books, because if you read them back to back they all seem the same). There're a number of reasons this instalment worked better than the first two:\* The heroine is not a stupid idiot. Sounds a bit mean, but I honestly wanted to kill Jessica in book one (if you're in a bondage club, you probably shouldn't keep trying to rescue anyone who's tied up!). Beth was down, but not out. She was on the run from a sadistic husband, but was still fighting for what she needed and wanted in life. And even though she was scarred, she didn't spend the entire book moaning about her appearance, like the first two heroines did.\* Nolan. What an amazing hero!\* The relationship actually had some time to develop. I didn't believe the HEAs for the first two pairs because their stories took place over the course of a couple of days. In this one - somehow - Sinclair managed to make the character development more important than the smexing - and that's a massive achievement, considering just how much smexing was being done!\* There was a story

that encompassed more than just the club. Beth and Nolan went out, and spent time at his house (and, wow, what can be done at a community barbeque is quite surprising!). On top of that, there was a suspense angle to the story, which made it so much more entertaining. What makes these books interesting is the way the dynamics of the relationships are explored - for both sides.
