Round 4 It's time for Lucian Bane to face those demons. This time around we get to see the vulnerability that Lucian keeps well hidden. Most of the series Tara was the one who needed to be protected and Lucian needed to break through those walls. This time tho Tara is the one protecting Lucian. It was a great change to the protector turn into the protected. Tara does it with all she has. I am so excited to see Round 5 and find out where Bane takes us next. Round 5 This is my favorite installment of the series so far. I loved how the team of three works together not only just to complete there mission, but to be there to lean on each other. The Preacher was an amazing character! This round made me laugh, cry, swoon, and surprised me! I can't wait to find out what is in store for these characters in the next round! Round 6 This is it Tara and Lucian go into the final round along with the Preacher. This round was heart pounding suspense from start to finish! Of

course the erotic scenes are amazing. Bane's scenes always are! The bond that the foursome has created is just amazing to me. You have to be dominated in order to dominate. The foursome didn't just blindly follow the top dom. They trusted him, because he earned that trust. It takes a strong person to give up control. These couples aren't, what I consider a, Dom/Sub couple. They are each strong enough in themselves to be lead and strong enough to lead when they needed to. This was an amazing series of strength and love. I can't wait to follow these characters into the next series.

I've been an avid reader since I was a kid, always lounging for a well told story that easily kept my attention, surprised me at every turn, engaged all my senses and emotions and left me with that awed WOW-feeling of satisfaction at the end of it all. Lucian Bane and Aden Lowe have just joined the esteemed ranks of my favored writers. What a saga, so many intricate twists and turns, so much ethos and heart and the constant heat, chemistry and love at the heart of this week told series was exceptional. My only complaint is the ending, post island felt very rushed and didn't match the tenor, rhythm and attention to details that we received all along. Thankfully, TWKD was just released to continue this story and hopefully answer some much needed questions like, what about Steve's award, what happened to Danielle, anything more from Preacher and Becca, etc. Even with the less than dragging final chapter, this series went well above expectations. I'm surpassed it didn't get the same acclaim as FSOG, for both the stories and the author. I can't wait to read much more from Lucian Bane!!

After the first three books, I found myself immediately online to purchase 4,5,&6. The books only got better! The authors take you on a literal journey, following the characters and introducing new characters as well. We follow their story as they discover new truths about themselves & their companions! This is a a well-constructed series with a backdrop of BDSM written with depth and intrigue!

They just keep getting better and better!!! Lucian is brilliant with his writing style. Lucian, Tara and Steve are back for more. In these 3 books, they grow so much! They love that blossomed in books 1-3 is back and hotter than ever. Lucian and Tara learn to rely on each other, their instincts and friends to get them past those who wish them harm. The scenes are HOT, the suspense thrilling, the humor will have you in stitches. Tara, Lucian and Steve will be punished by the Top Dom for their past sins. Preacher will teach them all so much. This is a hard man, but find out what made him that way. The experience of book 5 (HILARIOUS BOOK!!!) will help keep them alive in book 6 where a

mix of Survivor and Hunger Games comes into play...but with plenty of steamy sex. Lucian held nothing back when writing these books!

This series has broken through my reader's block!!! It offers a unique story line and well-developed characters and hits all the feels. DW is full of adventure and antics, humor and pain, love and hate and more and more love. The ride this takes the reader on is twisting, turning, bumpy, smooth, fast, sexy and hot!!! But it doesn't end here! I can't wait to start the next in the series- White Knight Dom Academy.

This book 4, 5 and 6 of Dom Wars was not quite as good as the first 3. Though it was good in its own way Book four I had already read and loved which is where the 4th star came from. Book 5 I felt lack something in the story. It felt incomplete or less than dealing with any aspect of Dominant and submission. Same with book 6, I felt that it strayed off the mark of what I expected of a story of Dominant and submission Wars would be. But hey I could be all wrong. This was just my feeling for the story. I did love the authors writing style though. Very entertaining to say the least. I would recommend this series to a friend or enemy alike. LOL. A worth while story to read even with the somewhat weird endings of 5 & 6.Dawn

Ok, here it goes... I started first by reading Ruin by Lucian Bane because it popped up as a suggested book and it quickly lead to me reading every book he has written. However, I do have to admit I was hesitant to read The Dom Wars series because I had never read erotica by a male author.Well..Lucian Bane is an amazing author, and whether or not you have the same lifestyle as the characters it's hard not to feel a connection to them because Lucian does that good a job of bringing them to life. His writing made me pause and evaluate my own relationship and though I consider myself one of the lucky ones I believe there is always more to learn to better a relationship.His storyline was definitely unique, his characters are intense but also sexy, funny, and I was cheering for Lucian & Tara. It's amazing how they could bring out the worst and best in each other.I love this series and recommend it along with all of his other books. I will be watching for his next one, It can't come soon enough!
