The Battlefield Series 3: Trusting Love (Siren Publishing Menage Everlasting)

Synopsis

[Siren Menage Everlasting: Erotic Menage Romantic Suspense, M/F/M/M/M, HEA] Trust in love, and it will never do you wrong. Carina learns the hard way that sentiment isn't always true, and in fact could be deadly. After escaping an attack by two men, one she loved who betrayed her in the worse possible way, Carina is determined to survive and get lost in another town, another place, landing her in Repose, Texas. People are caring, she makes friends easily, and works in a cool place called the Filling Station. She doesn't trust men in uniform, soldiers, or just about ninety percent of the people she sees on a daily basis. So when she gains the interest of four men who remind her too much of her troubled past, she's ready to hightail it out of there. The Cortland men, all retired soldiers, set their sights on Carina and can tell right away she is fearful and resistant to an attraction they all feel. Jack, Milton, Jesse, and Dr. Nevin Cortland will do whatever it takes to make Carina smile, and ultimately win her love and affection. When she confides in them the wrong that was done to her and how she may still be in danger, it's a little too late, and they'll need to use all the resources of their professions to not only save her life, but also save one another. ** A Siren Erotic Romance

Customer Reviews

At first I was uncertain about reading this story. Carina didn't like the prospect of more than one man before (of course the assault that came later is what led to the real fears) but after reading this I understand it was more the men she didn't like than the prospect of a menage relationship. The "order" sounded just like the Hellfire Club from England (back in history) so I thought that aspect was a nice twist. This turned out to be a truly excellent story and I am so glad I read it.

Love this series want more well written very hot read.. very interesting characters and story in the in between the sheets action leaves you wanting more and more so good
