This is the continuing story of EASY, MICHIGAN & ANNE (the preacher's daughter) this story picks up from where the guys are through sneaking around and are now trying to convince Anne their in it for the long haul. She insists on handling her father and still feels insecure in her own self worth to fully trust the relationship with the guy's. Really bad s\*\*\* happens when she's forced back home with bogus charges threatened on the guys, and while their on club business Anne finds herself way over her head in danger. The guys return to find her missing and even local neighbors worried for her. The guy's will stop at nothing to get her safe and prove she's we're their future lye' s, and she will always have a family with them and the club...

I just finished Their Fierce Love and I really liked it. This is a continuance of the series so it must be read in order to know what is going on especially with this being about Easy, Michigan and Annie. They all want more but what will happen when her dad (the pastor) finds out..because he will. Just read to see. I really enjoyed this one. By far my favorite in the whole series. It's not what I should expected even though I should of. It has a good story line. It have good characters. I really think that they have a good distinct voice. I can't wait to see what happens! Story 4 Sex 4 Sex 4

Annie, Easy and Michigan's story continues and WOW! This poor girl didn't start living until these two hot bikers came into her life. Poor Annie! I won't give away any intell about the plot of this story, I'll just say that I was shocked. Annie is so lucky to have Easy and Michigan in love with her and you just know that her life will be better and sexier in the future. I am totally enjoying this series of MC stories. These books are hot and the dirty mouth alphas are just what we smut mongers live for (lol)! Great stories and if you are wrapped in puritanical cloth don't bother reading these, however if you

like your erotic romance sexy, loving and no hold barred, then dive in, the water is HOT!

Michigan, Easy, and Annie are back, and they are taking their relationship to the next level. Lots of hot and heavy menage sexiness. Her preacher father is a PITA (pain in the a\*\*), and I'm so glad shy and introverted Annie was able to find the guys for her. I'm glad we got more of the story about these three, and I hope to see more of them in future books. Enjoy the read! I did.

I'm addicted to these books - what a great series and fantastic idea! I love the short sweet hot stories by these great authors. I love reading about the different clubs and different interactions. I seriously love the Death Lords and Annie, Easy and Michigan are the best together.

I just got this book last night and I already finished it. Amazing read!! Can't wait for more. Annie, Easy and Michigan's love is put to the test because of Annie's dad. I can't believe what he put her through. I'm glad she's strong. This is a really good read! You won't be able to put it down

The whole "two for the price of one" idea trips my trigger. I like how the MCs Wilde, Goode and Dixon are writing about reference each other. Kind of a series within a series that ties several worlds together.

This one was hard for me. There are some definite domestic abuse triggers. Not interrelationship, but Parental, emotion and physical. Even financial. Now that we have that warning out of the way, the rest of it is steamy and emotionally intense relationship wise. This read will definitely make you feel all your feels. Stick with it & there is definite satisfaction in the end! As always, well written with a captivating flow, it definitely keeps you on the edge of your seat! I just realised how many times I used a derivative of definite...but this read is definitely that intense!
